Dear Sir or Madam,

The purpose of this letter agreement (this "Confirmation") is to confirm the terms and conditions of the Transaction entered into between ING Bank N.V., Amsterdam ("Party A") and ČEPRO, a.s., Prague ("Party B") on the Trade Date specified below (the "Transaction"). This communication constitutes a "Confirmation" as referred to in the agreement specified below.

The definitions and provisions contained in the 1998 FX and Currency Option Definitions (as published by the International Swaps and Derivatives Association Inc., the Emerging Markets Traders Association and The Foreign Exchange Committee), as amended, supplemented or varied from time to time (the "1998 FX Definitions") and in the ISDA Benchmarks Supplement, as published by ISDA, are incorporated into this Confirmation. In the event of any inconsistency between the 1998 FX Definitions and this Confirmation, this Confirmation will govern.

This Confirmation supplements, forms part of, and is subject to, the Master Agreement dated as of 22 November 2011, as amended and supplemented from time to time (the "Agreement"), between you and us. All provisions contained in the Agreement govern this Confirmation except as expressly modified below. In the event of any inconsistency between the provisions of the Agreement and this Confirmation, this Confirmation will prevail for the purposes of this Transaction.

Regulatory reporting practices in relation to FX transactions

By way of this statement we inform you about our reporting practices in relation to FX transactions for EMIR and MiFIR transaction reporting purposes. We report FX transactions frequently referred to as FX swap transactions, including the Transaction confirmed by this Confirmation, as FX strategies. An FX strategy in this context would represent a simultaneous and contingent execution of two FX transactions. Such FX strategy transactions will be reported by us as two FX forward transactions.

We assume that if you have a reporting obligation of your own under (one of) the above- mentioned reporting regimes, that you will follow similar practices in relation to your reporting of such FX transactions.

The terms of the particular Transaction to which this Confirmation relates are as follows:

Annex: Regulatory information

The European Market Infrastructure Regulation (EMIR) is a European Union regulation aiming to reduce the risks posed to financial systems by Over-the-Counter (OTC) derivative transactions. The EMIR regulatory obligations that apply depend on your EMIR classification. Your EMIR classification is included within this confirmation appendix. Please notify us immediately if you believe your EMIR classification as shown is incorrect, or needs to be amended due to a change in your circumstances.

Please note that the *European Market Infrastructure Regulation (EMIR)* requires parties to confirm their OTC derivative transactions within the prescribed timelines.

In compliance with EMIR, please return to us, within the applicable timeline below, a confirmation that the attached terms correctly reflect the terms and conditions of our agreement by using one of the methods listed in enclosed Confirmation.

The Packaged Retail and Insurance-based Investment Products Regulation

The European Packaged Retail and Insurance-based Investment Products (PRIIPs) Regulation aims to increase the transparency and comparability of PRIIPs for retail investors. Manufacturers of PRIIPs are required to provide retail investors with a pre-contractual Key Information Document (KID). This Transaction is a PRIIP for which a KID has been produced. The relevant KID can be found at <https://www.ingmarkets.com/Downloads/Otc>.
