## 2. Change of the Contract

- 2.1. The performance period specified in paragraph 4.1 of the Contract is extended by 60 working days.
- 2.2. The reason for the extension of the performance period is the ongoing reconstruction of room no. E401 at the place of delivery of the Equipment. It is thus not possible to ensure the proper takeover of the Equipment. The reason for the extension of the performance period is thus on the part of the Buyer.
- 2.3. The Contracting Parties declare that none of the Contracting Parties shall be harmed as a result of this change.
- 2.4. Other provisions of the Contract remain unchanged.
