Additional Terms:

The pricing and any discounts for Subscription Services set forth in the Order above are applicable during the initial Subscription Term specified above and only for the initial purchase. Any Additional Usage or Additional Purchases, as defined below, will be charged at the prices listed in the GoodData Price List attached hereto. At the end of the initial Subscription Term specified above, the Subscription Services will automatically renew for additional 12 months periods at the then-current list prices, unless either party provides written notice of non-renewal at least ninety (90) days before such renewal. Ahead of each renewal of the Subscription Term, You will be invoiced for the Subscription Services that You have been using in the last month prior to renewal, including any Additional Usage and/or Additional Purchases as defined below.

Additional Usage. If in any month of the Term, Your usage of the Subscription Services in the ordinary course causes You to upgrade the Workspace Power Tier to a higher one ("Additional Usage"), GoodData will automatically provision You for such Additional Usage. Fees accrue from the first day the Additional Usage began and GoodData will notify You of such Additional Usage. Unless You object Additional Usage within 30 days from the notice of Additional Usage, You agree to pay the applicable price-per-month Subscription Services fees for such Additional Usage, co-terminated for the remaining portion of the Subscription Term, in accordance with the GoodData Price List attached hereto, invoiced after the 30-day period passes. If You object to Additional Usage, You agree to lower Your usage to the original level of purchased Subscription Services. If You fail to do so, GoodData reserves the right to limit Your usage of the Subscription Services, which may include, without limitation, decreases in the performance level of the Subscription Services corresponding to the level of originally purchased Subscription Services.

Additional Purchases. If in any month of the Subscription Term, You elect to (i) purchase additional Workspace Customer Data Size or additional ADS Storage; (ii) purchase additional Workspaces of any Workspace Power Tier; or (iii) purchase new additional features specified in the Product Specific Terms ("Add-Ons"); (each an "Additional Purchase(s)"), GoodData will provision such Additional Purchase to You. Fees accrue from the date of the Additional Purchase. You agree to pay the applicable price-per-month Subscription Services fees for such Additional Purchases, co-terminated for the remaining portion of the Subscription Term, in accordance with the GoodData Price List attached hereto.

The GoodData Price List is subject to change by GoodData upon a renewal to reflect then-current list prices.
