

ELSEVIER SUBSCRIPTION AGREEMENT

This agreement (“Agreement”) is entered into as of [REDACTED] 2022 by and between **National Library of Technology**, Technická 2710/6, 160 80 Praha 6 - Dejvice, Czech Republic (the “Lead Institution”), for and on behalf of itself and the institutions identified on Schedule 2, (the “Institutions”) known collectively as CzechELib Consortium (all, collectively, the “Subscriber”), and **Elsevier B.V.**, Radarweg 29, 1043 NX Amsterdam, The Netherlands (“Elsevier”). As used in this Agreement, “Consortium” refers to the Lead Institution or to such other Institution or Institutions as the Lead Institution may specify, depending on the context in which that term is used.

The Lead Institution acts as a central purchasing body within the meaning of Act No. 134/2016 Coll., on Public Procurement, as amended, for concluding subscription agreements on behalf of the Institutions as listed below as part of the project CzechELib.

The parties hereto agree as follows:

SECTION 1. SUBSCRIPTION.

1.1 *Subscribed Products.*

Elsevier hereby grants to the Subscriber the non-exclusive, non-transferable right to access and use the products and services identified in Schedule 1 (“Subscribed Products”) and provide the Subscribed Products to its Authorized Users (as defined herein) subject to the terms and conditions of this Agreement.

1.2 *Authorized Users/Sites.*

Authorized Users are the employees, the full-time and part-time students, faculty staff and researchers of the Subscriber and individuals who are independent contractors or are employed by independent contractors of the Subscriber affiliated with the Subscriber’s locations listed on Schedule 2 (the “Sites”) and individuals within the library facilities at the Sites permitted by the Subscriber to access the Subscribed Products for purposes of personal research, education or other non-corporate use (“Walk-in Users”).

1.3 *Authorized Uses.*

Each Authorized User may:

- access, search, browse and view the Subscribed Products;
- print, download, save and store a reasonable portion of individual items from the Subscribed Products for the exclusive use of such Authorized User;
- incorporate links to the Subscribed Products on the Subscriber’s intranet and internet websites, provided that the appearance of such links and/or statements accompanying such links will be changed as reasonably requested by Elsevier;
- provide print or electronic copies of individual items from the Subscribed Products to other Authorized Users and to third-party colleagues for their scholarly or research use;
- store individual journal articles from the ScienceDirect Subscribed Products in the private library of a social networking site for the Authorized User’s own personal use only;

- share individual journal articles from the ScienceDirect Subscribed Products with third party colleagues individually for their scholarly or research use;
- share individual journal articles from the ScienceDirect Subscribed Products with a limited number of third party colleagues as part of an invitation only working group on non-commercial platforms or tools, for personal, scholarly or research use;
- access, search, browse, view, print, make electronic copies and store for the exclusive use of such Authorized User certain journal articles and book chapters from the ScienceDirect® online service that are not subscribed to as part of the Subscribed Products, with each twenty-four (24) hour access period for a selected article or chapter, a “Transaction.”; and
- if the Authorized User is a librarian/information specialist, access, search, browse, view, print, make electronic copies and store a Transaction for the exclusive use of another Authorized User.

The Subscriber may:

- print and deliver journal articles from Subscribed Titles (as defined herein) and, if any, book chapters from the ScienceDirect Subscribed Products to fulfill requests as part of the practice commonly known as “interlibrary loan” from non-commercial libraries located within the same country as the Subscriber, provided that such print and delivery is without commercial gain and not routinely or systematically provided (whether on one occasion or over a period of time) in such a manner or in such quantities as to substitute for a subscription by the receiving library or the end user.

1.4 *Restrictions on Use of Subscribed Products.*

Except as expressly stated in this Agreement or otherwise permitted in writing by Elsevier, the Subscriber and its Authorized Users may not:

- abridge, modify, translate or create any derivative work based on the Subscribed Products, except to the extent necessary to make them perceptible on a computer screen to Authorized Users;
- remove, obscure or modify in any way any copyright notices, other notices or disclaimers as they appear in the Subscribed Products;
- use any robots, spiders, crawlers or other automated downloading programs, algorithms or devices to continuously and automatically search, scrape, extract, deep link, index or disrupt the working of the Subscribed Products;
- substantially or systematically reproduce, retain, store locally, redistribute or disseminate online the Subscribed Products; or
- post individual items from the Subscribed Products on social networking sites.

Authorized Users who are individuals who are independent contractors or are employed by independent contractors may use the Subscribed Products only for the purposes of the contracted research work for the Subscriber.

1.5 *Intellectual Property Ownership.*

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Elsevier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution or dissemination online of the Subscribed Products could materially and irreparably harm Elsevier and its suppliers.

Notwithstanding anything to the contrary contained in this Agreement, more extensive usage terms might be permitted for open access content in the Subscribed Products as identified in the individual journal article as stated in the applicable user (e.g. CC) license.

SECTION 2. ELSEVIER PERFORMANCE OBLIGATIONS.

2.1 *Access to Subscribed Products.*

Elsevier will make the Subscribed Products accessible to the Subscriber and its Authorized Users from the internet address set forth on Schedule 1 or as may be otherwise set forth herein, upon receipt by Elsevier of this Agreement document in the territory of The Netherlands, as duly electronically signed by the Subscriber, which acceptance will be evidenced and timestamped by an authorised representative of Elsevier in the Netherlands. However, the parties must proceed pursuant to Section 5.1 of this Agreement.

2.2 *Quality of Service.*

Elsevier will use reasonable efforts to provide the Subscribed Products with a quality of service consistent with industry standards, specifically, to provide continuous service seven (7) days a week with an average of 98% up-time per month, with the 2% down-time including scheduled maintenance and repairs performed at a time to minimize inconvenience to the Subscriber and its Authorized Users, and to restore service as soon as possible in the event of an interruption or suspension of service. If, due to causes within its reasonable control, Elsevier is unable to provide the Subscriber with access to the service for a period exceeding twenty-four (24) consecutive hours, then Elsevier shall extend the term of the Agreement for corresponding period at no additional cost to the Subscriber. If Elsevier is unable to provide the Subscriber with access to the service for a period exceeding five (5) consecutive days, then Elsevier shall refund to the Subscriber the amount of the Fees calculated by dividing the number of days of downtime by 365 and multiplied by the amount of the Fees for the then current year. The remedy provided herein is in addition to and not exclusive of any other rights and remedies that the Subscriber may have under this Agreement and at law or in equity.

2.3 *Withdrawal of Content.*

Elsevier reserves the right to withdraw from the Subscribed Products content that it no longer retains the right to provide or that it has reasonable grounds to believe is unlawful, harmful, false or infringing. If the withdrawal represents more than ten (10%) percent of the content comprising the Subscribed Products, Elsevier shall refund to the Subscriber the amount of the Fees that is proportional to the amount of content withdrawn and the remaining unexpired portion of the period for which the Fees were paid.

2.4 *Usage Data Reports/ Confidentiality*

Elsevier will make usage data reports on the usage activity of each Subscriber available as described at https://www.elsevier.com/sd_usage_reports_on_a_monthly_basis_to_the_librarians/administrators_employed_by_the_Subscriber. Such reports may be shared with internal stakeholders and including Ministry of Education, Youth and Sports without prior permission of Elsevier; may be accessed by vendors or other third parties retained by the Subscriber only with the express written permission of Elsevier, which shall not be unreasonably withheld, and for the purpose of usage analysis of the Subscriber. Elsevier will make all reasonable efforts to comply with the then currently valid COUNTER Code of Practice. Elsevier will maintain as confidential and not disclose to any third party any search or other usage data except in aggregated, collective or anonymized form.

2.5 *Interoperability with Prevailing Web Browsers.*

Elsevier will use reasonable efforts to ensure that the Subscribed Products are accessible and interoperable with prevailing web browsers and internet access tools, including, at a minimum, the most recent two major versions (current version and one version prior) and all the associated releases for those versions.

2.6 *Federated Search.*

Subscriber may construct a federated search interface to enable federated searching of the Subscribed Products by Subscriber and its Authorized Users. The terms and conditions of federated searching shall be governed by a separate federated search gateway agreement to be entered into between Elsevier and the Subscriber and its Institutions.

SECTION 3. SUBSCRIBER PERFORMANCE OBLIGATIONS.

3.1 *Authentication.*

Access to the Subscribed Products will be authenticated by the use of Internet Protocol (“IP”) address(es) and/or usernames and passwords and/or a delegated authentication mechanism requiring at least two different credentials, as identified on Schedule 2. Access to the Subscribed Products by Authorized Users who are Walk-in Users is permitted at the Sites only. Remote access to the Subscribed Products by Walk-in Users is not permitted. The distribution of usernames/passwords and other access credentials to such Authorized Users who are Walk-in Users or otherwise made discoverable by those Authorized Users who are Walk-in Users is not permitted.

3.2 *Protection from Unauthorized Access and Use.*

The Subscriber will:

- take appropriate measures to protect against the misuse or unauthorized access, whether by the Subscriber or any third party, through or to (a) the Subscriber’s credentials used to access the Subscribed Products; and (b) the Subscribed Products and/or information derived therefrom;
- manage identification, use, access and control of all credentials used to access the Subscribed Products in an appropriately secure manner, including, but not limited to, by:
 - limiting access to and use of the Subscribed Products to Authorized Users and notifying all Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;
 - issuing any passwords or credentials used to access the Subscribed Products only to Authorized Users, not divulging any passwords or credentials to any third party, and notifying all Authorized Users not to divulge any passwords or credentials to any third party; and
 - provide true, complete and accurate IP addresses, as identified on Schedule 2, (if any) for the exclusive use by each Subscriber (including, if requested by Elsevier, written confirmation by the relevant third party internet service provider) and proactively inform Elsevier of any changes to each Subscriber’s IP addresses, including the addresses no longer being used exclusively by each Subscriber; and
- immediately deactivate any credentials when no longer needed or where access presents a security risk;
- implement and maintain its own appropriate program for credentials management and ensure access to the Subscribed Products via such credentials is reviewed on an appropriate basis; and

- promptly upon discovering itself, or being notified by Elsevier or a third party, that there has been unauthorized use of the Subscribed Products or a security issue permitting unauthorized use, Subscriber will take appropriate steps to end such activity and to prevent any recurrence, including, but not limited to, implementing required updates and configuration where needed to rectify the issue. When notified by a third party or upon discovering the unauthorized use directly, Subscriber must promptly notify Elsevier of the unauthorized use. Subscriber will cooperate with Elsevier and share information, subject to any applicable confidentiality or nondisclosure obligations, concerning the unauthorized use or security issue;

In the event of any unauthorized use of the Subscribed Products, Elsevier may suspend the access and/or require that the Subscriber suspend the access from where the unauthorized use occurred upon notice to the Subscriber. The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own gross negligence or willful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof.

3.3 *Security Requirements.*

The Subscriber agrees that the Subscriber will have in place policies and procedures, which will be reviewed by the Subscriber periodically, covering the administrative, physical and technical safeguards in place and relevant to the access, use, loss, alteration, disclosure, storage, destruction and control of information. The Subscriber will promptly notify Elsevier if it determines that there has been a failure of such safeguards if such failure results in a compromise of the confidentiality or security of any Elsevier Content provided hereunder and cooperate with Elsevier's reasonable requests surrounding such failure, including taking appropriate steps to end such activity and to prevent any recurrence. For the purpose of this Section 3.3, "Elsevier Content" means any material or information which Elsevier provides or makes available to the Subscriber in connection with the Subscribed Products and performance of this Agreement.

SECTION 4. FEES AND PAYMENT TERMS.

The Lead Institution will pay to Elsevier the fees set forth in Schedule 1 (the "Fees") within one hundred and fifty (150) days of date of invoice. Notwithstanding the aforementioned, the Fees due for each year of the Term shall not be payable by Lead Institution before [REDACTED] of the then current year. Late payments will be subject to interest charges of [REDACTED] per month on the unpaid balance. The Fees will be exclusive of any sales, use, value added, withholding or similar tax and the Lead Institution will be liable for any such taxes in addition to the Fees. Any sum to be paid by the Lead Institution to Elsevier under this Agreement will be paid by way of transfer to Elsevier's bank account [REDACTED]

All the prices (the fees) under this Agreement are set forth as final, unchangeable and the maximum allowable and cover and include all activities relating to the performance under the Agreement. Elsevier may not charge any additional costs or expenses to the Subscriber. For the avoidance of doubt, any addition of new institutions to this Agreement will be subject to additional fees under this Agreement, which will be mutually agreed in an amendment to this Agreement.

The invoice shall contain all the requisites set forth by the applicable legislation, especially Act No. 235/2004 Coll., VAT Act, as amended ("VAT Act"). The invoice shall be delivered to the Lead Institution either originally or electronically to the e-mail address [REDACTED]. The invoice shall include a reference to the Subscribed Products pursuant to this Agreement. The Lead Institution will be charged local value added tax (VAT), based on the Lead Institution's place of establishment, unless the Lead Institution is a foreign relevant business person and provides to Elsevier its VAT Identification Number. The Subscriber will promptly notify Elsevier of any changes to its VAT Identification Number or VAT status. Elsevier may charge the Lead Institutions any VAT, fines, penalties, interest and other costs that Elsevier may incur as a result of incorrect VAT information.

Each party shall bear its own costs in connection with this Agreement. The bank fees for the bank transfer are shared between the parties.

The Lead Institution may cover the invoice partially if an Institution did not provide its financial contribution in time. In the event of such incomplete payment, the Lead Institution will notify Elsevier in writing of the intended difference no less than ten (10) days prior to the due date and will specify the Institution that failed to provide its financial contribution in time. In such case the Lead Institution is not in delay with the payment and Elsevier may suspend access to the Subscribed Products to this Institution in delay with providing its financial contribution without incurring liability from this suspension. The suspension of access to this Institution can last until the fee is completely paid in full.

SECTION 5. DURATION.

5.1 *Term.*

This Agreement becomes valid on the date of execution by the parties to this Agreement. This Agreement takes effect on the date of publication in the Czech Register of Contracts or on 1 January 2023 (whichever occurs later) and continue until 31 December 2025 (“**Initial Term**”). The parties to this Agreement declare that should the Agreement take effect after 1 January 2023, they will commence to perform their obligations and Elsevier provide access to the Subscribed Products as of 1 January 2023, i.e. before the commencement of this Agreement due to the necessity of access to the Subscribed Products of 1 January 2023, to the Subscriber and Authorized Users in the full scope of the authorization stipulated herein. The Fees set forth in Schedule 1 are agreed with regards to this availability of Subscribed Products. Performance of the Elsevier’s obligation to make the Subscribed Products available before the Agreement takes effect shall be considered entirely as a performance according to and in compliance with this Agreement.

5.2 *Renewal.*

This Agreement may be renewed upon mutual agreement of the parties in writing for an additional one-year term(s) (a “Renewal Term”), subject to appropriate adjustments to Schedule 1. The Initial Term and each Renewal Term are collectively the “Term”.

5.3 *Early Termination Due to Insufficient Budgetary Allotment from Government*

The Lead Institution may terminate this Agreement in writing within 90 days if sufficient funds are not provided or allotted in future government-approved budgets of the Subscriber (or reasonably available or expected to become available from other sources at the time the Subscriber’s payment obligation attaches) to permit the Subscriber, in the exercise of its reasonable administrative discretion, to continue this Agreement. After termination pursuant to this section 5.3 the Subscriber shall be due to pay the prorated Fees relating to the period prior to termination.

5.4 *Termination for a Material Breach.*

Each party shall notify the breaching party of a material breach of this Agreement in writing with a detailed description of the breach. The breaching party shall have thirty (30) days from the receipt of such notice to use all reasonable means to cure this alleged material breach and to notify the non-breaching party in writing that a cure has been effected. If the material breach is not cured within the thirty (30)-day period, the non-breaching party shall have the right to terminate the Agreement with a written notice entirely, however, if such material breach would concern or relate merely a certain Institution or Institutions, Elsevier has the right to terminate the Agreement only or partially with respect to this or these Institutions if the material breach arose only due to this particular Institution. Termination of this Agreement is effective immediately by the date of delivery of such a notice. The obligation of the parties to also remedy any other breach shall not be affected by this provision.

5.5 *Termination of Access*

Upon termination of this Agreement, Elsevier may terminate access to the Subscribed Products by the Subscriber and the Authorized Users (in case of a partial termination of this Agreement only with respect to the particular

Institution and their Authorized Users). In addition, authorized copies of the Subscribed Products made by the Authorized Users may be retained for educational purposes and used subject to the terms of this Agreement even after the termination of this Agreement.

SECTION 6. ELSEVIER WARRANTIES AND INDEMNITIES.

6.1 Warranties.

Elsevier warrants that use of the Subscribed Products in accordance with the terms and conditions herein will not infringe the intellectual property rights of any third party.

6.2 Indemnities.

Elsevier will indemnify, defend and hold harmless the Subscriber and its Authorized Users from and against any loss, damage, costs, liability and expenses (including reasonable attorneys' fees) arising from or out of any third-party action or claim that use of the Subscribed Products in accordance with the terms and conditions herein infringes the intellectual property rights of such third party. If any such action or claim is made, the Subscriber will promptly notify and reasonably cooperate with Elsevier. This indemnity obligation will survive the termination of this Agreement.

6.3 Disclaimer.

EXCEPT FOR THE EXPRESS WARRANTIES AND INDEMNITIES STATED HEREIN AND TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE SUBSCRIBED PRODUCTS ARE PROVIDED "AS IS" AND ELSEVIER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO THE SUBSCRIBED PRODUCTS AND ANY OTHER DATA, DOCUMENTATION OR MATERIALS PROVIDED IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO ANY ERRORS, INACCURACIES, OMISSIONS, OR DEFECTS CONTAINED THEREIN, AND ANY IMPLIED OR EXPRESS WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6.4 Limitation of Liability.

Except for the express warranties and indemnities stated herein and to the extent permitted by applicable law, in no event will Elsevier or its suppliers be liable for any indirect, incidental, special, consequential or punitive damages including, but not limited to, loss of data, business interruption or loss of profits, arising out of or in connection with this Agreement, nor will the liability of Elsevier and its suppliers to the Subscriber exceed a sum equal to the Fees paid by the Subscriber hereunder during the twelve (12) month period immediately preceding the date on which the claim arose, even if Elsevier or any supplier has been advised of the possibility of such liability or damages. This limitation of liability shall not apply in events prescribed by the law, especially if such damage is a result of a gross negligence or if the damage was caused intentionally.

SECTION 7. GENERAL.

7.1 Force Majeure.

Neither party's delay or failure to perform any provision of this Agreement as a result of circumstances beyond its control (including, but not limited to, war, strikes, fires, floods, power failures, telecommunications or Internet failures or damage to or destruction of any network facilities or servers) that prevents it from fulfilling its obligations under this Agreement (any such circumstances being "Force Majeure") will be deemed a breach of this Agreement. The parties agree that the departure of one or more members of the Euro zone will not, in and of itself, be a "circumstance beyond its control" and will not have the effect of discharging or excusing performance of (any obligation under) this Agreement.

7.2 Severability.

The invalidity or unenforceability of any provision of this Agreement will not affect any other provisions of this Agreement.

7.3 *Entire Agreement.*

This Agreement contains the entire understanding and agreement of the parties and replaces and supersedes any and all prior and contemporaneous agreements, communications, proposals and purchase orders, written or oral, between the parties with respect to the subject matter contained herein.

7.4 *Modification.*

7.4.1 No modification, amendment or waiver of any provision of this Agreement will be valid unless in writing and signed by the parties, except for changes reflecting substituted titles, IP addresses, authentication mechanisms, invoicing and contact address details which may be notified by Elsevier or the Lead Institution and confirmed by the other party in an email notice sent to the other party.

7.4.2 The Subscriber, in compliance with Section 100(1) of Act No. 134/2016 Sb., on Public Procurement, as amended, reserves the right to change the commitment under this Agreement, which entails a change in the number of Institutions, i.e. for the purpose of accommodating additional Potential Participating Institutions with whom the Subscriber has entered into a central procurement agreement and, a list of which is provided in Schedule 1. This reservation will be effected, as the case may be, by means of an amendment to this Agreement based on the interest of the Potential Participating Institutions mentioned in the preceding sentence in receiving performance under this Agreement. The parties may include the price for the subscriptions for the Potential Participating Institutions in Schedule 1.

7.5 *Assignment.*

The Subscriber will not assign, transfer or license any of its rights or obligations under this Agreement unless it obtains the prior written consent of Elsevier, which consent will not unreasonably be withheld.

7.6 *Privacy.*

The Lead Institution shall not transfer or provide any personal data of Authorized Users to Elsevier. To the extent that Authorized Users provide any personal data to Elsevier during account registration or otherwise, the Lead Institution acknowledges that Elsevier will process such personal data in compliance with applicable data protection laws and the Elsevier privacy policy applicable to the Subscribed Products as created and applied solely by Elsevier and independently of Lead Institution.

7.7 *Notices.*

All notices given pursuant to this Agreement will be in writing and delivered to the party to whom such notice is directed at the address specified below or the electronic mail address as such party will have designated by notice hereunder.

If to Elsevier: Elsevier B.V., Radarweg 29, 1043 NX Amsterdam, The Netherlands.

If to the Consortium: CzechELib - National Library of Technology, Technická 2710/6, 160 80 Praha 6 - Dejvice, Czech Republic. E-mail: [REDACTED].

7.8 *Confidentiality.*

The Subscriber and its employees, officers, directors and agents will maintain as confidential and not disclose to any non-affiliated third party without Elsevier's prior written consent the financial terms and commercial conditions of this Agreement. Elsevier may only disclose such information (i) to applicable service providers to the extent necessary to perform their functions in support of this Agreement and (ii) where reasonably necessary to address security, safety, fraud or other legal issues. The confidentiality obligation does not apply to information which:

- must be disclosed in the Czech Register of Contracts, except for personal information, trade secrets and sensitive information that shall be blacked out in the relevant publication of the contract, as permitted by the applicable law and to the extent required by Elsevier;
- which has been a matter of public domain as of the date of the disclosure thereof;

- which has become or will become publicly known or available otherwise than through the breach of the obligations of the disclosing party, its employees, subcontractors, advisers or consultants resulting from this Agreement;
- which has been disclosed based on an obligation resulting from the generally binding legal regulations or a final decision of courts or public authorities; and
- to the disclosure of which the other party has granted an explicit written consent to the disclosing party.

7.9 Compliance with Laws.

Each party will comply with all applicable laws and regulations relating to its duties and obligations under this Agreement. Elsevier reserves the right to deny access to the Subscribed Products to any person or entity who is prohibited from receiving such access based on any applicable export control and trade sanctions laws or embargo programs.

7.10 Execution.

This Agreement and any amendment thereto may be executed in counterparts, and signatures exchanged by facsimile or other electronic means are effective to the same extent as original signatures. Each party declares that the electronic execution is valid and effective in the jurisdiction the party executes the Agreement.

7.11 Power of Attorney.

Each Institution has authorized the Lead Institution to enter into this Agreement on its behalf and to enforce this Agreement against it. The Lead Institution represents and warrants that the Institutions acknowledge and agree to be bound by the terms and conditions of the Agreement, including but not limited to the restrictions on access to and use of the services as set forth in the Agreement. The Lead Institution will inform each individual Institution specified in Schedule 2 of the terms and conditions of access.

7.12 Governing Law

This Agreement shall be interpreted and construed according to, and governed by, the laws of the Czech Republic, in particular by Act No. 89/2012 Coll., the Civil Code, as amended, excluding any such laws that might direct the application of the laws of another jurisdiction.

IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.

ELSEVIER SUBSCRIPTION AGREEMENT
Schedule 1.1
Journal Subscription

Journal Collection(s):

Cell Press Collection: Electronic access to the full text of all articles from the Cell Press journal titles published since 1 January 1995 identified on Annex A to Schedule 1.1 (“Subscribed Titles”).

Option to Substitute Withdrawn Subscribed Titles

An Institution may substitute any withdrawn Subscribed Titles with one or more journal titles of total comparable value (in current year list price) at any time upon notice to Elsevier. In the event that no substitute journal title is available, Elsevier will refund to the Subscriber the amount of the Fees paid for the withdrawn Subscribed Titles for the remainder of the Term.

Post Termination Access to Subscribed Titles

Upon termination of all of an Institution’s annual subscriptions on ScienceDirect online, the Institution may, at its option, (1) acquire, load and technically format on a server that enables access and use by its Authorized Users an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost; this option is for free, and/or (2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text articles downloaded from such titles during the prior twelve (12) months at a rate of EUR 0.063 per download, with a minimum annual fee of EUR 400 (adjusted annually for inflation and cost increases) for the Institution’s access to the platform, in accordance with the usage provisions of this Agreement, which provisions will survive the termination of the Agreement. Elsevier will make available for inspection by a duly authorized auditor of the Institution, at the Institution’s sole expense, the records concerning the calculation of the annual access fee once per year during regular business hours upon thirty (30) days written notice to Elsevier. If an electronic copy is selected, the Institution will for a period of five (5) years from delivery of the electronic copy provide, on a monthly basis, to Elsevier complete and accurate usage data reports on the Institution’s on-site usage activity in a mutually agreed upon format. Elsevier will be entitled to inspect the Institution’s records of usage once per year during regular business hours upon reasonable notice to the Institution. The electronic copy may not contain links and other features and functionality associated with the online version. If a particular Subscribed Title is withdrawn by Elsevier or not renewed by the Institution, but the Institution remains a ScienceDirect online annual subscription subscriber, the Institution may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid provided that Elsevier continues to hold the electronic rights thereto.
