Please note that this is an early access version. The complete PDF, HTML, and XML versions will be available soon. Please take a moment to check that everything is correct. You can reply to this email if there is a problem. If any errors are noticed, please note that all authors must follow MDPI's policy on updating published papers, found here:
https://www.mdpi.com/ethics#16.

To encourage open scientific discussions and increase the visibility of published articles, MDPI recently implemented interactive commenting and recommendation functionalities on all article webpages (side bar on the right). We encourage you to forward the article link to your colleagues and peers.

We encourage you to set up your profile at www.SciProfiles.com, MDPI's researcher network platform. Articles you publish with MDPI will be linked to your SciProfiles page, where colleagues and peers will be able to see all of your publications, citations, as well as your other academic contributions. Please also feel free to send us feedback on the platform that we can improve it quickly and make it useful for scientific communities.

You can also share the paper on various social networks by clicking the links on the article webpage. Alternatively, our Editorial Office can post an announcement of your article on our Twitter channel, please send us a text of up to 200 characters with spaces. Please note that our service Scitations.net will automatically notify authors cited in your article. For further paper promotion guidelines, please refer to the following link:

https://www.mdpi.com/authors/promoting.

We would be happy to keep you updated about new issue releases of jcm. Please enter your e-mail address in the box at https://www.mdpi.com/journal/jcm/toc-alert/ to receive notifications. After issue release, a version of your paper including the issue cover will be available to download from the article abstract page.

To order high quality reprints of your article in quantities of 25-1000, visit: https://www.mdpi.com/2077-0383/12/1/33/reprints

We support the multidisciplinary preprint platform /Preprints/, which permanently archives full text documents and datasets of working papers in all subject areas. Posting on the platform is entirely free of charge, and full details can be viewed at http://www.preprints.org.

We are dedicated to providing an outstanding publishing service, and we invite you to complete our author satisfaction survey https://www.surveymonkey.com/r/authorfeedbackmdpi. The survey contains 20 short questions and will only take a couple of minutes to complete.

To help us improve our Production and English editing service, provided as part of MDPI's editorial process, please take a few minutes to participate in the following survey: https://www.surveymonkey.com/r/38TKGWF (for Production and English editing service).

We are also pleased to announce that the journal is starting to accept submissions of Registered Reports, to be considered for publication. Registered Reports are scientific articles which are peer-reviewed before the research is performed and the data are collected. Please access https://www.mdpi.com/about/announcements/1818 or contact the Editorial Office for more information if you are interested.

Thank you for choosing JCM to publish your work, we look forward to receiving further contributions from your research group in the future.

Kind regards,

--
