**TERMS & CONDITIONS**

- A. Validity: All quotes are valid for 30 days unless otherwise indicated.
  - B. Prices are based on standard 30-day net payment terms from the date of the invoice and are exclusive of all applicable government taxes.
  - C. Subject to signed Master Agreement (MA) & returned for Commercial purpose
  - D. Licensed software is only supported on approved hardware and operating systems.
  - E. Delivery: By Electronic Download Only and within 2-3 weeks from the date of acceptance of PO.
  - F. License: Initially, 1 month license could be issued based on PO. Remaining full-term license would be issued only after receiving the full payment.
  - G. Lic Type: One Regional WAN      Software is licensed for network access and usage from multiple locations of the same company within ONE country boundary.
  - H. Training can be organised online where the customer can have up to three (3) attendees to be trained.
  - I. The licence period covered is for a 12 month lease that initiates following completion of installation. Software upgrades and service assistance via web, email and phone is included for the same 12 month period. Future years will be subject to a new proposal, see section MA conditions.
- I.1 ESI will indicate intended adjustments of the license fees at least 3 months before the end of the license period. The fee adjustment shall be deemed contractually agreed if Customer does not object in writing within one month of the communication.

**Approved By:** Anshul Gupta

- 1.2 All the lease licenses henceforth, will be automatically renewed for another year unless the licenses are terminated in writing by the Customer or ESI before the end of each year with a notice period of 2 months. License fee will be considered same as last time, unless intended adjustment is communicated as above.

**Standard Technical Support:**

Support Email:

- Installation: Software installation/updates and license deployment
- Bugs and Enhancement Requests: Record bugs and enhancements in existing software version and provide work arounds if possible.
- Help Requests: Provide guidance on using existing workflows post basic and advanced training.
- Software updates: Supply new releases and documentation on what has been implemented.

**Conditions for accepting the offer:**

- Acceptance of the offer, on pain of nullity, must be made within the period of validity indicated above.
- In order to be accepted, the offer must be returned to us, signed by a legal representative or an authorized person.
- Another way to accept the offer is to place an order, indicating the reference to this offer, without reference to your own general terms and conditions of purchase.
- If an order is placed with the inclusion or reference to general purchasing conditions, we will check these and is entitled to reject the order.
- If you agree to this offer, we ask you to send back a signed copy of this offer (signature of a person authorized to represent) for the attention of the contact person at ESI named here.
- In the following table, the fields marked in light orange must be completed and signed by the customer. After receiving a version signed by the client, ESI will also sign it and send it to the client as a digital copy.
