

Erasmus+ Programme

Multilateral Inter-Institutional Agreement for BIP

(Project: "Membranes for water resources: treatment, recovery and recycle")

Key Action 1

Learning Mobility for Higher Education Students and Staff among EU Member States and third countries associated to the Programme ¹

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the [Erasmus Charter for Higher Education](#) in all aspects related to the organisation and management of the mobility, including [automatic recognition](#) of the credits awarded to students by the partner institution as agreed in the Learning Agreement and confirmed in the Transcript of Records, or according to the learning outcomes of the modules completed abroad, as described in the Course Catalogue, in line with the [European Credit Transfer and Accumulation System](#). The institutions agree on exchanging their mobility related data in line with the technical standards of the [European Student Card Initiative](#).

Grading systems of the institutions

Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through [EGRACONS](#) according to the descriptions in the [ECTS users' guide](#). The information will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

Validity period of the agreement

Timeframe	Academic Year
Start of validity	2022/2023
End of validity	2022/2023

¹ Clauses may be added to this template agreement to better reflect the nature of the institutional partnership.

Short-term blended mobility option for students

*Mobility numbers apply only for physical mobility part of Blended Intensive Programme (BIP). The minimum number of participants is 15 altogether (can be freely divided between sending universities).

¹ Mobility numbers can be given per sending/receiving institutions and per education field (optional*:

<https://circabc.europa.eu/sd/a/286ebac6-aa7c-4ada-a42b-ff2cf3a442bf/ISCED-F%202013%20-%20Detailed%20field%20descriptions.pdf>)

By checking this box, the partners confirm that they are willing to exchange students who wish to carry out their mobility in a blended format, a combination of a short-term physical mobility with a virtual component.

B.1 Further specifications of the mobility

- The partner institutions commit to send the above mentioned amount of students with Erasmus Grant, to the receiving institution.
- The selection of the students will be done by the sending institution.
- A minimum of 15 financed students in total (=sum of students coming from both partner institutions) participating in the BIP is necessary for the BIP to be valid.
- Before, during and/or after the physical mobility, "virtual mobilities" (such as online project management meetings, workshops, presentations...) are organized as integral part of the BIP-project.
- After attending the BIP - "Validation", participating students will be awarded 3,5 ECTS, through a transcript of records, issued by the receiving institution.

- The receiving institution (= coordinating institution, E GIRONA02) will have 14 own students participating in the BIP "Validation".

C. Recommended language skills

The sending institution, following agreement with the receiving institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period:

Receiving institution [Erasmus code]	Optional: Subject area	Language of instruction 1	Language of instruction 2	Recommended language of instruction level ⁴	
				Student Mobility for Studies [Minimum recommended level: B1]	Staff Mobility for Teaching [Minimum recommended level: B2]
E GIRONA02		English for foreign students		B2 English	B2 English

D. Calendar

- The physical event will take place at the receiving institution (E GIRONA02).
- Activity days: start date 10/07/2023 – end date 14/07/2023. It includes work in the laboratories of the UdG Faculty of Sciences to manufacture and test different types of membranes with different configurations, modelling and simulation of the filtration process, control, and visits to different facilities around Catalonia to understand the implementation, use and membrane recovery.
- The virtual component of the BIP will take place before, between 3rd and 7th July. It consists of a series of virtual masterclasses from various speakers from academia and industry.

Registration of incoming students (attending the BIP "Validation") must reach the institution by:

institution [Erasmus code]	Date
E GIRONA02	May 2023

⁴ For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>
