Subject: Request Letter for the Special Training Course for Medical Staff

Dear Mr. Haux,

Based on our previous correspondence and offer, I would like to ask you to propose a date for the Special Training Course for Medical Staff by HAUX-Specialists for the operation of Hyperbaric Medical Equipment installed at the Institute of Aviation Medicine in Prague. The training should take place at the HBOT department at the Institute of Aviation Medicine for four doctors in one group over one day. We request a training course in the operation of the following medical devices: HAUX-MEDICAL-MONITORING, Siare-Ventilator, HAUX-RESPIMASTER, HAUX-Defibrillator, Infusion-Pumps, Suction Unit in use together with medical hyperbaric chamber HAUX-QUADRO-system.

Further details will be communicated through Mr Vendura. We are looking forward to another cooperation.

Thank you for your time and consideration.

Sincerely,

.....
