

Agreement

I. Parties involved

Ordering body:

Naturpark Ötztal (ZVR 887710440)

Naturpark Haus, Oberlängenfeld 142, A - 6444 Längenfeld, Austria

VAT registration number: ATU73500838

Represented by: [REDACTED]

Investigating body:

Biology Centre, Czech Academy of Sciences, Institute of Hydrobiology

Na Sádkách 702/7, České Budějovice, CZ 370 05, Czech Republic

VAT registration number: CZ60077344

Represented by: [REDACTED]
[REDACTED]

II. Subject of agreement

The Institute of Hydrobiology will carry out the fish stock assessment of the Piburg Lake based on CEN methodology standards using gillnetting and hydroacoustics.

All survey will be carried out in accordance to the detailed budget sent in excel file.

III. Specific conditions of work

1. The order is placed for fish stock assessment of Lake Piburg based on CEN methodology standards using gillnetting and hydroacoustics.
2. The ratio of typical piscivorous to planktivorous fish species is of interest.
3. Part of the order will be testing electrofishing use for mass fish removal, but this is not included in the calculation and therefore just an option.
4. Records of number of dead fish are made available to Ötztal Nature Park after the investigations in order to present them to the authorities.

IV. Time schedule of work

The survey will be done during first half of June 2023. The processing and evaluating of the results will be done in the subsequent period, and the final report will be prepared by the end of November 2023.

VI. Price of work

The price for the survey including the report is agreed to the sum:
€ 9.783,- (nine thousand seven hundred eighty three Euro) exclusive of V.A.T.

VI. Payment conditions

The payment will be done by bank transfer from the account of Nature Park Ötztal as follows: 75% immediately after the fish assessment in June and 25% after receipt of the end report.

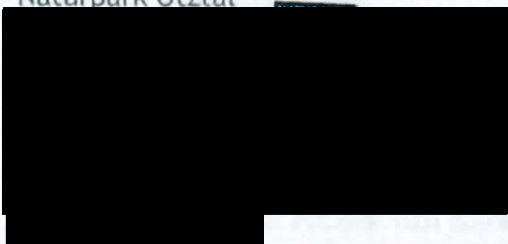

VII. Other parts of agreement

1. This agreement has two pages and is written in four identical copies, two copies belong to the ordering body, two copies belong to the investigating body.
2. Both parties confirm by their signatures that they accept the conditions of the agreement.
