TERMS AND CONDITIONS

Agreement: This Order Schedule is subject to the terms and conditions of the Master Content License Agreement located at <https://assets.planet.com/docs/Master Content License Agreement 2023.1.pdf>.

Definitions: The definitions applicable to this Order Schedule are located at: <https://assets.planet.com/docs/General Definitions 2023.2.pdf>

Usage Rights: "Derivative Product Distribution Rights" means the right for Licensee to: (i) use, access, and view Content through the Platform; (ii) create Derivative Products; (iii) the right to distribute Derivative Products to Derivative Product End Users solely via the Licensee Platform and solely for such Derivative Product End Users' internal use and with no further rights of distribution; and (iv) the right for Licensee to display the Content and the Derivative Product solely within the Licensee Platform, provided that Licensee will permanently display the following copyright notice in connection with any use by Licensee of any displayed Content: "Image by Planet". Licensee shall use commercially reasonable efforts to prevent, and in no event permit, the download or imagery-capture (screen-scrapes, tile grabbing, etc.) of the Content. Licensee will use the phrase "powered by Planet" (a) on or in the Derivative Products, and (b) in Licensee's marketing efforts.

For the purposes of clarification, in the event more than one Derivative Product End User is provided with Derivative Products that are based on the same Content (or the same Derivative Product is otherwise distributed to more than one distinct Derivative Product End User), Licensee must ensure that a separate data requests is submitted to Planet for each Derivative Product End User. For "Download" products, a unique download is required for each Derivative Product End User of the same Content. For "Tile View" products, Content must be served directly from the Platform such that each unique Tile View shall issue a unique or new request for that Tile, and may not rely on caching, redirection, or any other local storage.

User Group: "Government" means any single department, agency, ministry, or division of a country's government (federal/national, state/provincial, county, local, municipal levels).

Content Territory: Czech Republic

Distribution Territory: Czech Republic

If Line Items above include Services, SkySat Tasking, or Sentinel Hub, the following supplemental terms shall apply, as applicable:

Services: https://assets.planet.com/docs/professional_services_terms_2023.1.pdf

SkySat:

Assured Tasking https://assets.planet.com/docs/skysat_assured_tasking_v2022.2.pdf

Flexible Tasking https://assets.planet.com/docs/skysat_flexible_tasking_v2023.1.pdf

Sentinel Hub: <https://www.sentinel-hub.com/tos/>

In the event of a conflict between the Master Content License Agreement and these terms, the Sentinel Hub terms shall control with regard to Sentinel Hub only.

COMPLIANCE

In accordance with the terms of the Agreement, Licensee acknowledges and agrees that in no event may Licensee provide a Derivative Product to a Restricted party or into Sanctioned Jurisdiction.
