Detailed factual, time and financial framework of foreign development cooperation project

Project title: Support for capacity building of the Cambodia Chamber of Commerce

Implementing organization and partner institution: Association of Small and Medium-sized Enterprises and Crafts of the Czech Republic (AMSP CR) | Cambodia Chamber of Commerce (CCC)

The Development Objective of the Project:

- Ensuring the opportunity for representatives of the Cambodian Chamber of Commerce to meet in the Czech Republic with leading representatives, representatives of the state administration and important entrepreneurs from the agricultural sector and to obtain practical information important for building the capacities of the CCC.
- Gaining new experience, getting to know innovative approaches, information on procedures and tools used in the Czech Republic to support agricultural SMEs.
- Enabling the exchange of information, knowledge and obtaining recommendations from Czech specialists and advisers, which can benefit Cambodian agricultural SMEs and facilitate the process of development and growth, modernization and increased production.
- The use of mechanisms and know-how acquired in the Czech Republic as a starting point for the introduction of similar support measures in Cambodia for the benefit of Cambodian agricultural SMEs, especially for their essential support in the internationalization process.
- Ensuring support, which in the long term will represent the strengthening and all-round improvement of the activity of SMEs in Cambodian agriculture, in the form of their further development, strengthening of competitiveness, in the introduction of new technologies, modernization in the field of food production, etc.

Project Objectives: The main objective of the project is to assist the CCC and its members in building their capacity and providing information and advice needed to strengthen the development and competitiveness of Cambodian SMEs and entrepreneurs in the field of agriculture and food production.
