#### Expected total amount (without VAT)

PURCHASE ORDER TERMS AND CONDITIONS

5 381,50 USD

1. Kindly send us your ORDER CONFIRMATION. Please specify the expected delivery date, itemize all costs and fees associated with the purchase order and confirm the total purchase order value. We are unable to process payments for invoices with a different price, whether lower or higher, than what is stated in your final order confirmation.

2. Delivery address: UFCHJH, Dolejskova 2155/3, Prague 8, 18223, Czech Republic. Contact person: (contact details provided above). Please arrange the shipment using our Customer's FedEx Account No. 301242581 and select "FedEx International Priority® Express Shipping only". Do not use a "FedEx International Economy® shipping". Please be aware that we do not accept partial deliveries or partial invoicing.

3. The Seller (*American Probe & Technologies, Inc.*) is responsible for the export declaration and for paying all duties and taxes associated with clearing the package with customs in the Dispatch Country.

The Buyer (J. Heyrovsky Institute of Physical Chemistry of the CAS) is responsible for the import declaration and for paying all taxes and customs duties which will be incure "in import customs clearance in Czech republic.

4. Please provide with Track & Trace emails once the shipment begins to travel and include a tracking link. Additionally, remember to attach copies of your invoice and delivery note each time, along with SAFETY SHEETS (MSDS) in the case of hazardous cargo.

5. Billing and Delivery addresses are the same as the above-mentioned Contact address of the Customer. VAT No. / EORI No.: CZ61388955.

(\*Note: In accordance with EU law, the names of the end user or contact persons must not be included in our (Buyer's) billing address .)

6. Payment Terms: via wire transfer, net 5-14 days. If you require advance payment, please provide a proforma invoice with all associated costs and delivery terms. Buyer's bank details: Bank: SOB - Prague 1, Na P (kop 14, BIC (SWIFT): CEKOCZPP.

7. Invoice and Packing List Requirements: Due to customs clearance during import, each your invoice or packing list must include the following details: Seller's and Buyer's names and addresses; Buyer's VAT Number and Purchase Order number; description of goods or services; unit price; total value; currency; Seller's bank details for wire transfer; Incoterms 2010 terms for delivery; carrier name; warranty duration; Customs Tariff Number (HS Code); quantity; net weight; country of origin; and, if different, the country of dispatch.

8. Warranty terms are in accordance with your quote or your order confirmation letter.

9. Publication in Register of Contracts: Please note that this purchase order falls under Act No. 340/2015 Coll. and is only valid after being published in the Register of Contracts (information system of the Ministry of the Interior in the Czech Republic), as outlined in § 4.
