Terms and Conditions

Unless the University has entered into a separate written agreement with you for the supply of goods and services, acceptance of this order implies your acceptance of the University's Standard Conditions of Purchase ([See Terms and Conditions](#)). The University's Standard Conditions of Purchase or, as the case may be, the separate written agreement entered into between the University and you shall govern the agreement for your supply of goods and/or services to the entire exclusion of all other terms and conditions, including, but without limitation, any terms and conditions which you purport to apply under any acknowledgement or confirmation of order, quotation, specification, delivery note, or similar document.
