These items are controlled by the U.S. Government, the European Union and/or other relevant countries/groups of countries and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government, the European Union and/or other relevant countries/groups of countries or as otherwise authorized by laws and regulations.

Addendum to the general terms and conditions:
Cost increases that occur between the conclusion of the contract and the delivery of the goods, in particular costs for components to be obtained by Trenz, which were not foreseeable and which do not seem to justify compliance with the agreed price, will be passed on to the customer immediately through changed order confirmations. These price adjustments do not constitute grounds for termination and are to be treated as if they were known at the time the contract was concluded. Any conditions from the customer's general terms and conditions that may apply are hereby replaced.
