Quotation 2023-25191

Item	Part number/description	Quantity/unit	Unit price/EUR	Total/EUR
------	-------------------------	---------------	----------------	-----------

The export or re-export of these goods is subject to both the applicable export control laws and regulations of the EU and the USA and national legislation. These regulations are an integral part of the contract. The customer confirms that his company complies with these regulations. Violation or circumvention of the mentioned export regulations is prohibited and punishable by law!

WEEE/ROHS: According to the German Electricity Act (ElektroG) §2 (2)9., WEEE 2012/19/EU 2.(4) and RoHS Directive 2011/65/EU article (4) j, the above mentioned electronic products are listed as: Equipment specifically designed solely for the purposes of research and development and only made available on a business-to-business basis. As such they are exempt from certain restrictions. Pursuant to §19.1 of the act, you hereby agree that any costs for the disposal of the products are not included in the price and that the sole responsibility for the disposal lies with you as the buyer. Should you not be able to take care of the disposal yourself, we will be happy to dispose of them on your behalf or provide you with addresses of qualified disposal companies. Quantum Design is registered as a trademark with the German foundation for old electric products (EAR Stiftung) under registration no. DE 76652923.

Provision Clause:

This offer / acceptance of order keeps it's availability only provided that our company will receive an export license for the offered goods from the corresponding authorities where required. Our company is not bound to meet any deliveries and other obligations which arise from an offer, a contract or an acceptance order, if it is detained at it by effective export control regulations of the Federal Republic of Germany, the European Union, the USA or another country respectively, if there exists a common prohibition.

Errors and omissions excepted.
