Furthermore, the following regulations are applicable:

I. Important direction for end users

Combustion vessels, calorimeters, reactors, pressure vessels and associated products from Parr Instrument Company, sold by Parr Instrument (Deutschland) GmbH (Parr), are designed and manufactured only for use by or under the direct supervision of trained professionals in accordance with specifications and instructions for use supplied with the products. Parr sells only to professional users or through distributors to such users. Parr produces precision equipment and associated products which are not intended for general commercial or private use.

II. Passing of risk

All prices are indicated DDP according to Incoterms 2010.

III. Warranty

Parr supplies all products with a warranty period of 12 months

IV. Liability Limitation

For slight negligence damages caused by breach of duty Parr is only liable for the contractual foreseeable damage. This does not apply in the case of injury to life, body or health, nor to gross negligence or willful misconduct, as well as for claims, which result from the German Product Liability Act.

V. Title retention

Parr retains legal ownership of all delivered goods until receipt of full payment.

VI. Jurisdiction and choice of law

Place of jurisdiction is Frankfurt am Main. German law excluding UN Convention on Contracts for the International Sale of Goods (CISG) from April, 11th 1980) is applicable.

We hope this offer meets your requirements and we are looking forward to receive your order.
