

AMENDMENT NO 1 TO LICENSE AGREEMENT

This Amendment to License Agreement ("Amendment") is dated the 13th November 2023 and will be effective upon execution by and between:

National Library of Technology

Technická 2710/6
160 80 Praha 6 – Dejvice
Czech Republic

(for itself, and, if applicable, on behalf of any Licensees listed in Attachment 1 to the License Agreement referenced hereinbelow)

("Customer"),

and

Springer Nature Customer Service Center, GmbH

Tiergartenstrasse 15-17
69121 Heidelberg
Germany

("Licensor")

Quote ID: Q-73167.001

WHEREAS, the Customer and the Licensor entered into a license agreement with Quote ID Q-73167, dated 31st December 2022, regarding the licensed Products as defined therein (the "License Agreement"); the License Agreement was published in the Register of Contracts on the 3rd January 2023 with the contract ID 21372913.

WHEREAS, Customer and Licensor desire to continue the License Agreement under the same Terms and Conditions set forth therein, except as expressly modified herein;

WHEREAS, Customer desires to update the Product Terms;

THEREFORE, the parties agree that all provisions of the License Agreement are hereby incorporated into this Amendment and made a part hereof, subject to the following modifications:

1. Due to the nonexistence of the Section 3 of the License Details in the License Agreement, the optional renewal is not based on an actual agreement and therefore the Schedule 1: Payment of Fees and Invoicing for Publishing Services of the License Agreement shall be amended in order to modify the table 2. APC Rates by deleting the passages that are written in red, as indicated below:

Year	Number of Eligible Articles	APC	Compact Transformative Agreement Fee (APC Fund)
Year 1 (2023)			
Year 2 (optional renewal as per Section 3 of the License Details - 2024)			
Year 3 (optional renewal as per Section 3 of the License Details - 2025)			

The amended table on APC Rates will therefore be modified and written in a new wording, as indicated below:

Year	Number of Eligible Articles	APC	Compact Transformative Agreement Fee (APC Fund)
Year 1 (2023)			
Year 2 (2024)			
Year 3 (2025)			

2. Section 1. Product and License Fee of the License Agreement shall be modified as follows:
A Licensee may **opt out** of this License Agreement due to material financial hardship by giving Licensor written notice of termination (including the reasons for opting-out) three months prior to the end of any year of the Term, effective as of the end of the current year of the Term. Such Licensee’s License Fees will be deducted from the total annual License Fees under this License Agreement effective as of beginning of the following year of the Term. In the event a Licensee does not terminate as set forth above, all payment obligations of such Licensee will remain in effect. For the avoidance of doubt, any such opt-out shall not affect any rights and obligations of the parties prior to the opt-out.
3. As per January 1st 2024, Schedule 2: Continuing Access Journals and Schedule 3: Open Choice Journals shall be replaced by schedules as reflected in Attachment A to this Amendment.

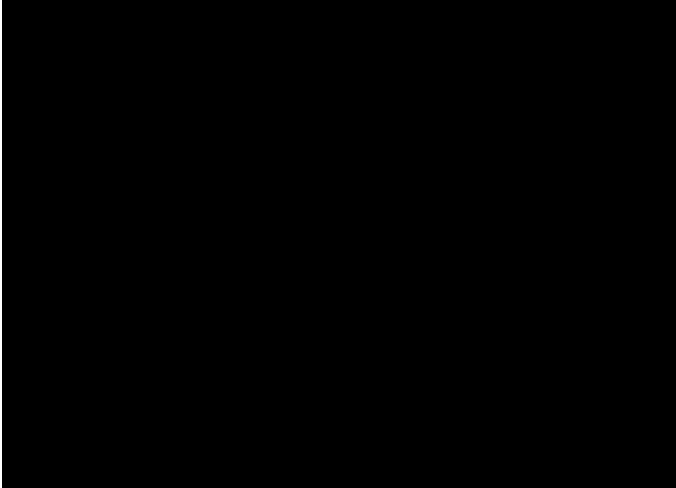

MISCELLANEOUS

This Amendment shall become valid upon being signed by both parties. The Amendment shall become effective on the date of its publication in the Register of Contracts in accordance with the conditions laid down by Act No. 340/2015 Coll., On the Register of Contracts, as amended. The Amendment will be in this register published by the Customer.

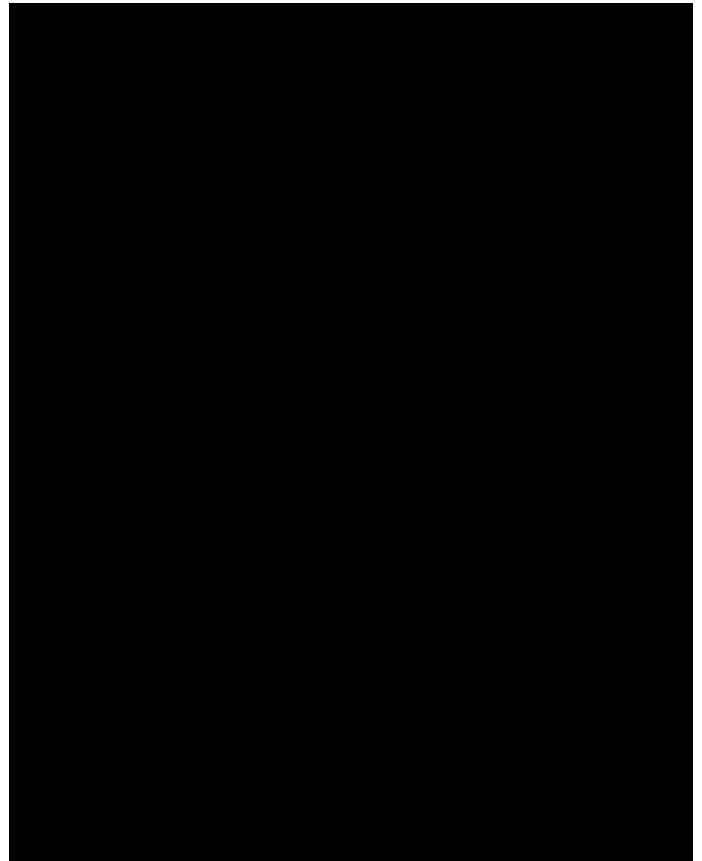

All other terms and conditions of the License Agreement not expressly modified by this Amendment shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have signed this Amendment by their respective, duly authorized representatives on the date set forth below.
