The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. The institutions agree on exchanging their mobility related data in line with the technical standards of the <u>European Student Card Initiative</u>.

Grading systems of the institutions

Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through <u>EGRACONS</u> according to the descriptions in the <u>ECTS users' guide</u>. The information will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.
