(hereinafter the “**Contractor**”)

a

Name: Cobuilder AS
Company
Registration No.: 979198175
Headquarters: Strandveien 12, 1366 Lysaker
Representative: Lars Christian Fredenlund
(hereinafter the “**Provider**”)

Pursuant to the Contract for services rendered of January 10th 2022, concluded between the aforementioned parties (hereinafter the “**Contract**”), the following protocols were signed:

- *Protocol about Accessing the System for the Trial Run* signed on 12.05.2022.
- *Protocol of System Defects During Trial Run* signed on 09.06.2022.
- *Protocol for the Start of System Operation* signed on 12.08.2022.

The current *Acceptance Protocol* is part of the concluded between the parties *Amendment No.2* on (date). By signing the Protocol, the Contractor hereby confirms that the Provider has remedied accordingly the defects described in *Annex 1*, part of the *Protocol of System Defects During Trial Run*, within the timeframe specified in the document, and accepts as fulfilled the requirements from the Contractor’s Specification, illustrated in *Annex 1*, part of the *Protocol for the Start of System Operation*. The eliminated System irregularities are listed in *Appendix 1: Table of Deliverables*, which is an inseparable part of this document.

Terms defined in the Contract have the same meaning in the Contract as in this Protocol.

The Protocol is drawn up in two copies, one of which shall be received by the Contractor and one by the Provider.

The following appendix form an integral part of the current Protocol:
- Appendix 1: Table of Deliverables

In Prague on (date)
