Quote acceptance

The acceptance of the present document converts this offer into a contract in accordance with the latest issue of the SAFRAN HELICOPTER ENGINES GERMANY GMBH General Sales Conditions which are deemed to have been read and accepted by the Customer. Upon approval of this proposal, your purchase order must refer to our commercial offer number.

Due to the nature of our activity, the need for additionnal work may only become apparent after your acceptance has been received, as such need was not identified at the time of the evaluation. In this case, we would have to:

- -Postpone work performance,
- -Issue a quotation corresponding to the work actually needed,
- -Submit the quotation for your approval.

Note: Such additionnal work may be essential for the performance of the work under this quote; therefore refusal of such above quotation will lead to the cancellation of this offer.

Refusal of quote

1- Failing receipt of customer acceptance within 30 days, SAFRAN HELICOPTER ENGINES GMBH will charge in the offer currency the following:

Fixed price for Material protection	1,362.00
Daily cost for storage	67.56
Update of quotation from 1 to 12 Months	2,102.00
2- Once quote expires without reponse from customer, SAFRAN HELICOPTER ENGINES GMBH will invoice a quote establishment fixed	13,663.00
price	

3- In the event that customer does not want to proceed with the repair of the equipment, SAFRAN HELICOPTER ENGINES GMBH will charge fees based on the three options below:

ENGINES GMBH will charge fees based on the three options below :

A/ Material not returned to customer* (srap on site)

18,645.00

(meaning transfer of ownership of the equipment to SAFRAN HELICOPTER ENGINES GMBH as described in GSC)

B/ Material return to customer

35,906.00

(includes quote establishment fee, excludes return of non-repairable parts)

C/ Material return to customer

28,686.00

(includes quote establishment fee, includes return of non-repairable parts)

Note*: this Fee includes quote establishment fixed price (covering the services carried out: disassembly, inspection and assessment costs)
