

Appendix 2: Confirmation on the work completed

This is to confirm that work described in the Appendix 1 of the Consultancy Contract between CGS Prague and Mr. M. Bouyo was completed and finished.

Description of work done, schedule and budget

1. Description of work

a. Preparation work

The Consultant participated into the preparation work, including the following tasks:

- Definition of the field sector
- Selection of the participants
- Field reconnaissance mission

b. Training in field work

The Consultant trained the participants in field mapping, structural measures, nature of rocks... the Consultant supervised groups of trainees, and guided them through the field, helping them with geological tools and procedures.

c. In-room work

The Consultant supervised the trainees in their work of daily synthesis (downloading field data onto the GIS project) and during their preparation of the restitution at the end of training.

d. Meetings

The Consultant participated in the trainer’s meetings, and was present during the opening and closing ceremonies.

2. Schedule

The Consultant operated during both year 2023 (16 days) and 2024 (25 days) according to the schedule and training dates given in the Appendix 1 of the Consultancy Contract.

3. Budget

The budget for the Consultant’s mission includes a daily fee, plus expenses. On the basis of 50 EUR/day, the Consultant is involved for 41 days of effective work, i.e. 2,050 EUR budget.

Besides, side expenses such as transport fees are covered attested by a proper invoice for amount of 344.059 F CFA, that is 524.51 EUR.

TOTAL: **2,574.51** EUR budget

I hereby confirm the completing of the work package described above.

On16/02/2024..... Dr. Hugues Bauer, Deputy coordinator of the WPA-C4 training
