## GENERAL TERMS AND CONDITIONS

(version: 1 July 2022)

**For the definition of any defined term used and not defined below see the front pages of this Agreement.**

1. **Data Products/Services**  
 OAG shall provide to Customer a licence to use the Data Products and Services listed on the front page(s) in accordance with the terms and conditions of this Agreement. OAG may modify any Data Product or Service on reasonable prior written notice to Customer, provided such modified Data Product or Service will not materially reduce the features and functionality provided to Customer, unless such modification is imposed on OAG by industry rules or standards or applicable laws or regulations, international or domestic.
  - 3.2 OAG grants Customer a non-exclusive, non-transferable, revocable, worldwide licence to use the Data Products and Services solely for the Permitted Usage. Customer shall ensure that the Data Products (including extractions and/or compilations thereof) and Services may only be accessed and used by authorised users on a Customer owned or controlled system, in accordance with the Permitted Usage, and as otherwise expressly permitted under the Permitted Usage. Except as expressly allowed in writing by OAG, the Services and Data Products (including extractions and/or compilations thereof) may not be copied or reproduced (except for internal back-up purposes), used, amended, modified, reverse engineered (unless applicable law prohibits such restriction), distributed, sold, sublicensed, displayed, transmitted or broadcast in any form without the prior written permission of OAG. Except as necessary to achieve the Permitted Usage, Customer shall not permit any user of the Data Products or a Service to download, extract, copy or otherwise reproduce all or any substantial part of the Data and place such Data into a secondary database, including, without limitation, caching of the Data.
2. **Payment**
  - 2.1 All charges are payable in the currency shown on this Agreement, clear of all setoffs and deductions, within 14 days from the date of invoice. All charges payable hereunder are exclusive of any applicable shipping charges and/or taxes, duties and similar governmental assessments. Customer shall pay any shipping charges and/or taxes, duties and assessments resulting from this Agreement, including any value-added, sales, use or other similar taxes (excluding taxes based on OAG's net income) and related interest and penalties.
  - 2.2 Undisputed invoices not paid in full within 14 days of the date of invoice are past due. Without prejudice to any other right or remedy, OAG reserves the right to charge and Customer agrees to pay interest and costs of recovery in accordance with the Late Payment of Commercial Debts (Interest) Act 1998, as amended, provided this provision shall not apply if Customer is a consumer.
  - 2.3 If Customer is a consumer, Customer has the right to cancel the Data Products and/or Services ordered hereunder within 14 days of receipt of such Data Products or, in the case of Services, within 14 days of entering into this Agreement, provided the Data Product remains sealed or has not been installed, accessed or downloaded and the Services have not been completed by OAG. In order to exercise such cancellation right, Customer must notify OAG in writing, and in the case of Data Products, return the Data Products to OAG within 14 days of such cancellation in the same condition as received from OAG.
3. **Ownership; Restrictions on Use; Grant of Licence; Compliance with Laws; Confidentiality**
  - 3.1 The data or information contained within the Data Products and Services ("Data") is licensed, not sold. As between the parties, OAG owns all right, title and interest in and to the Data Products and Services. Customer acknowledges that certain aspects of the Data Products and Services, including but not limited to the databases, programs, protocols and displays (as well as the selection, arrangement and sequencing of the contents thereof), are proprietary and unique to OAG, as to which copyright, patent or other proprietary rights may be held by OAG or third parties from whom OAG has licensed or otherwise acquired such rights. Customer agrees to comply with all copyright, trade mark, trade secret, patent and other laws necessary to protect OAG's (or its licensors') rights in such proprietary information, and agrees not to remove or conceal any copyright or similar notices from the Data Products, Services or other material supplied by OAG and to only display any Data delivered as graphics in its entirety. Customer shall not block or obstruct OAG's logo contained in any Data delivered as graphics. Any report or document Customer creates that contains any Data shall include an appropriate attribution reflecting that the relevant Data was furnished by OAG.
  - 3.3 Customer warrants that Customer will not: (i) interfere with another user's use and enjoyment of any Data Product or Service; (ii) interfere with or disrupt: (a) the security measures of any Data Product or Service; or (b) the networks connected to any Data Product or Service; or (iii) perform any potentially disruptive actions such as stress testing or scripting/automation of user interfaces without OAG's prior written approval.
  - 3.4 Customer shall promptly notify OAG if Customer becomes aware of any breach of the Permitted Usage or any other unauthorised use or copying of any Data Product or Service.
  - 3.5 Each party shall ensure that the supply and use of the Data Products and Services will comply with all local, state, national and international laws, regulations and codes of practice to the extent applicable to each party.
  - 3.6 The terms and conditions of this Agreement, all access codes and user IDs and passwords issued to Customer by OAG hereunder, and all information as to the business methods or operations of either party acquired or learned by the other party, shall be treated as confidential and only disclosed to a party's employees, permitted service providers and agents on a need-to-know basis, unless disclosure is otherwise required by law or court order.
  - 3.7 In the event Customer provides data or a data feed to OAG that Customer wants to have integrated into a Data Product or Service, Customer hereby grants OAG a non-exclusive, royalty-free, revocable, worldwide licence to use such data or data feed in such Data Product or Service, as well as in other

OAG products and services, for use by Customer and other OAG customers.

#### 4. Termination

- 4.1 Either party may terminate this Agreement by notifying the other party in writing of its desire to terminate within the Non-Renewal Notice Period stated on the front page (excluding fixed-term, and ad-hoc or one-time delivery agreements).

- 4.4 In the event a data provider requires OAG to suspend provision of its data to Customer or one of Customer's customers, OAG (or Customer if it is one of its customers) will be required to do so until a resolution is reached. OAG will use commercially reasonable efforts to assist Customer to obtain such data provider's data. Additionally, OAG may (i) cease provision of Data Products or Services hereunder if required to comply with applicable laws or regulations, international or domestic; or (ii) terminate this Agreement upon 30 days prior written notice in the event a third-party data or service provider discontinues provision of or materially alters its respective data or services, which discontinuance or alteration adversely impacts OAG's provision of Data Products or Services hereunder. In such instances, OAG shall refund to Customer any portion of the charges prepaid as of such cessation date with respect to the cancelled term of this Agreement.
- 4.5 Upon the termination or expiry of this Agreement (excluding ad-hoc or one-time delivery agreements), Customer will cease to have any rights to use the Data Products or receive the Services and will destroy all copies of the Data and any derivatives thereof in its possession or control and purge all electronic versions of the same. If requested by OAG, Customer shall promptly certify in writing, signed by an authorised representative of Customer, that it has so removed and destroyed the Data.
- 4.6 Termination or expiry of this Agreement will not affect any accrued rights or liabilities of either party.

OAG shall not have any responsibility or liability for any Claim if (a) the use or activity alleged to be infringing is not a Permitted Usage, (b) such Claim results from (1) any modification or development of the Data Products or Services by Customer or a third party without OAG's prior written approval, or (2) Customer's combination or use of the Data Products or Services with software, services or products not provided by OAG under this Agreement, or (c) Customer does not notify OAG of the Claim within 30 days of becoming aware of it.
