3 Entry into force, duration and termination

3.1 Entry into force

An entity becomes a Party to this Consortium Agreement upon signature of this Consortium Agreement by a duly authorised representative.

This Consortium Agreement shall have effect from the Effective Date identified at the beginning of this Consortium Agreement. The parties acknowledge that this Consortium Agreement shall be published in the manner prescribed by Act no. 340/2015 Coll.

3.2 Duration and termination

This Consortium Agreement shall continue in full force and effect until complete fulfilment of all obligations undertaken by the Parties under the Grant Agreement and under this Consortium Agreement.

However, this Consortium Agreement or the participation of one or more Parties to it may be terminated in accordance with the terms of this Consortium Agreement.

If

- the Grant Agreement is not signed by the Granting Authority or a Party, or
- the Grant Agreement is terminated, or
- a Party's participation in the Grant Agreement is terminated,

this Consortium Agreement shall automatically terminate in respect of the affected Party/ies, subject to the provisions surviving the expiration or termination under Section 3.3 of this Consortium Agreement.

3.3 Survival of rights and obligations

The provisions relating to Access Rights, Dissemination and confidentiality, for the time period mentioned therein, as well as for liability, applicable law and settlement of disputes shall survive the expiration or termination of this Consortium Agreement.

Termination shall not affect any rights or obligations of a Party leaving the Project incurred prior to the date of termination, unless otherwise agreed between the General Assembly and the leaving Party. This includes the obligation to provide all necessary input, deliverables and documents for the period of its participation.

4 Responsibilities of Parties

4.1 General principles

Each Party undertakes to take part in the efficient implementation of the Project, and to cooperate, perform and fulfil, promptly and on time, all of its obligations under the Grant Agreement and this Consortium Agreement as may be reasonably required from it and in a manner of good faith as prescribed by Belgian law.

Each Party undertakes to notify promptly the Granting Authority and the other Parties, in accordance with the governance structure of the Project, of any significant information, fact, problem or delay likely to affect the Project.

Each Party shall promptly provide all information reasonably required by a Consortium Body or by the Coordinator to carry out its tasks and shall responsibly manage the access of its employees to the EU Funding & Tenders Portal.

Each Party shall take reasonable measures to ensure the accuracy of any information or materials it supplies to the other Parties.

4.2 Breach

In the event that the General Assembly identifies a breach by a Party of its obligations under this Consortium Agreement or the Grant Agreement (e.g. improper implementation of the Project), the Coordinator or, if the Coordinator is in breach of its obligations, the Party appointed by the General Assembly, will give formal notice to such Party requiring that such breach will be remedied within 30 calendar days from the date of receipt of the written notice by the Party.

If such breach is substantial and is not remedied within that period or is not capable of remedy, the General Assembly may decide to declare the Party to be a Defaulting Party and to decide on the consequences thereof which may include termination of its participation.

Such termination shall take place with respect to the Defaulting Party. The Defaulting Party shall be deemed to have agreed to the termination of the Grant Agreement in respect of its participation therein under the general provisions of Grant Agreement, as the other Beneficiaries or Parties and/or the Granting Authority may decide provided always that the Work Package(s) of the Defaulting Party shall be assigned to one or several entities which are chosen by the other Parties; is acceptable to the Granting Authority and who agreed to be bound by the terms of this Consortium Agreement. The preference shall be granted to one or more of the remaining Parties.

Upon termination, all of the rights and benefits of the Defaulting Party in respect of the Project shall terminate, except as otherwise stated in this Consortium Agreement. In addition to performing its obligations the Defaulting Party shall cooperate in good faith with the other Parties in order to ensure a seamless transition period, by granting all reasonable assistance to the other Parties and to any new entity that may have been selected as replacement for the Defaulting Party.

4.3 Involvement of third parties

A Party that enters into a subcontract or otherwise involves third parties (including but not limited to Affiliated Entities or other Participants) in the Project remains responsible for carrying out its relevant part of the Project and for such third party's compliance with the provisions of this Consortium Agreement and of the Grant Agreement and for the consequences arising from such a third party's non-compliance. Such Party has to ensure that the involvement of third parties does not affect the rights and obligations of the other Parties under this Consortium Agreement and the Grant Agreement. The Party has to impose on the third party those obligations resulting from the Grant Agreement and the Consortium Agreement to which the Party is bound. Each Party involving third parties in the Project has to inform the Coordinator about such an involvement by describing the name of the third party and the scope of the involvement. The Coordinator will then transmit the information to the other Parties concerned. Each Beneficiary shall inform the Coordinator in writing, as applicable, asking for a decision of the General Assembly, if it intends to enter into contract with a Third Part (giving the rationale therefore), if such an event has not been detailed in the Grant Agreement and its Annexes.

4.4 Specific responsibilities regarding data protection

Where necessary, the Parties shall cooperate in order to enable one another to fulfil legal obligations arising under applicable data protection laws (the *Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data* and relevant national data protection law applicable to said Party) within the scope of the performance and administration of the Project and of this Consortium Agreement.

Each Party is responsible for ensuring that their collection, processing and sharing of personal data and / or special categories of personal data comply with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 (the General Data Protection Regulation ("GDPR")) and other applicable regulation on personal data.

The Parties will therefore ensure the legal foundation for the data, ensure the contractual basis, and take required security measures in accordance with GDPR before sharing any personal data and / or special categories of personal data. The Parties agree that any sharing of data to the widest extent possible will be in completely anonymized form not containing any personal identifiable data and therefore not subject to GDPR. If it is not possible for the Parties to share personal data in completely anonymized form not containing any personal identifiable data, the Parties shall where necessary, conclude a separate data processing, data sharing and/or joint controller agreement before any data processing or data sharing takes place. If a Party will transfer data to a country outside of EU/EEA ("third country") the Parties agree to use the EU Standard Contractual Clauses' template for the transfer that is included in *(EU) 2021/914 of 4 June 2021 on standard contractual clauses for the transfer of personal data to third countries pursuant to Regulation (EU) 2016/679 of the European Parliament and of the Council*.

When entering the Grant Agreement and the Consortium Agreement and fulfilling the contractual obligations during the Project, the Parties process information about the other Party's employees, whom is part of the Grant Agreement and the Consortium Agreement and other persons whom is

necessary for the completion of the Grant Agreement and the Consortium Agreement. Each Party is data controller for the procession of these personal data, with reference to each Party's privacy policy and GDPR.

Results and Background) supplied by one Party to another under the Project, no warranty or representation of any kind is made, given or implied as to the sufficiency, accuracy or fitness for purpose nor as to the absence of any infringement of any proprietary rights of third parties.

Each Party shall be solely liable for any loss, damage or injury to third parties resulting from the performance of the said Party's obligations by it or on its behalf under this Consortium Agreement or from its use of Results or Background.

5.4 Force Majeure

No Party shall be considered to be in breach of this Consortium Agreement if it is prevented from fulfilling its obligations under the Consortium Agreement by Force Majeure.

Each Party shall notify in written the General Assembly of any Force Majeure without undue delay. If the consequences of Force Majeure for the Project are not overcome within 6 weeks after such notice, the transfer of tasks - if any - shall be decided by the General Assembly.

A Party shall be funded only for its tasks carried out in accordance with the Consortium Plan.

7.1.2 Justifying Costs

In accordance with its own usual accounting and management principles and practices, each Party shall be solely responsible for justifying its costs (and those of its Affiliated Entities, if any) with respect to the Project towards the Granting Authority. Neither the Coordinator nor any of the other Parties shall be in any way liable or responsible for such justification of costs towards the Granting Authority.

7.1.3 Funding Principles

A Party that spends less than its allocated share of the budget as set out in the Consortium Plan or – in case of reimbursement via unit costs - implements less units than foreseen in the Consortium Plan will be funded in accordance with its units/actual duly justified eligible costs only.

A Party that spends more than its allocated share of the budget as set out in the Consortium Plan will be funded only in respect of duly justified eligible costs up to an amount not exceeding that share.

In case a Party has received excess payment, the Party has to inform the Coordinator and return the relevant amount to the Coordinator without undue delay. In case no refund takes place within 30 calendar days upon request for return of excess payment from the Coordinator, the Party is in substantial breach of the Consortium Agreement.

The General Assembly decides on any legal actions to be taken against the breaching Party according to Section 6.3.7.

7.1.5 Revenue

In case a Party earns any revenue that is deductible from the total funding as set out in the Consortium Plan, the deduction is only directed toward the Party earning such revenue. The other Parties' financial share of the budget shall not be affected by one Party's revenue. In case the relevant revenue is more than the allocated share of the Party as set out in the Consortium Plan, the Party shall reimburse the funding reduction suffered by other Parties.

7.1.6 Financial Consequences of the termination of the participation of a Party

A Party leaving the consortium shall refund to the Coordinator any payments it has received except the amount of contribution accepted by the Granting Authority or another contributor.

In addition, a Defaulting Party shall, within the limits specified in Section 5.2 of this Consortium Agreement, bear any reasonable and justifiable additional costs occurring to the other Parties in order to perform the leaving Party's task and necessary additional efforts to fulfil them as a consequence of

the Party leaving the consortium. The General Assembly should agree on a procedure regarding additional costs which are not covered by the Defaulting Party or the Mutual Insurance Mechanism.

7.2 Payments

7.2.1 Payments to Parties are the exclusive task of the Coordinator

In particular, the Coordinator shall:

notify the Party concerned promptly of the date and composition of the amount transferred to its bank account, giving the relevant references

perform diligently its tasks in the proper administration of any funds and in maintaining financial accounts

undertake to keep the Granting Authority's financial contribution to the Project separated from its normal business accounts, its own assets and property, except if the Coordinator is a Public Body or is not entitled to do so due to statutory legislation.

With reference to Article 22 of the Grant Agreement, no Party shall before the end of the Project receive more than its allocated share of the maximum grant amount less the amounts retained by the Granting Authority for the Mutual Insurance Mechanism and for the final payment.

7.2.2

The transfer of the initial pre-financing, the additional pre-financings (if any) and interim payments to Parties will be handled in accordance with Article 22.1. and Article 7 of the Grant Agreement following this payment schedule:

Funding of costs included in the Consortium Plan will be paid by the Coordinator to the Parties after receipt of payments from the Granting Authority in separate instalments as agreed below:

| | |
|-----|-------------------------------------|
| 50% | on receipt of Pre-financing |
| 50% | after the Reporting period 1 in M18 |

Funding for costs accepted by the Granting Authority will be paid by the Coordinator to the Party concerned.

The Coordinator is entitled to withhold any payments due to a Party identified by the General Assembly to be in breach of its obligations under this Consortium Agreement or the Grant Agreement or to a Beneficiary which has not yet signed this Consortium Agreement.

The Coordinator is entitled to recover any payments already paid to a Defaulting Party except the costs already claimed by the Defaulting Party and accepted by the Granting Authority. The jointly owned Results will be jointly owned by the Parties that have generated the Results in equal parts unless a joint owner can provide reasonable justification that the ownership shall instead reasonably be divided in another way (e.g. pro rata to the contribution of a joint owner to an inventive step, the intellectual contribution of a joint owner, the person months, costs spent on the respective work, other financial contribution to the respective work etc). The joint owners shall agree on all protection measures and the division of related cost in advance.

8.3 Transfer of Results

8.3.2

The transferring Party shall give the other Parties prior notice of the intended transfer at least 45 calendar days before the transfer shall take place, and the other Parties have a right to object to such a transfer within 30 calendar days from receipt of the notice of the transfer according to the Grant Agreement Article 16.4 and its Annex 5, Section Transfer of licensing of results, sub-section “Transfer of ownership”, 3rd paragraph.

8.3.3

The transferring Party shall ensure that the rights of the other Parties under the Consortium Agreement and the Grant Agreement will not be affected by such transfer.

8.3.4

The Parties recognise that in the framework of a merger or an acquisition of an important part of its assets, it may be impossible under applicable EU and national laws on mergers and acquisitions for a Party to give at least 45 calendar days prior notice for the transfer as foreseen in the Grant Agreement.

8.3.5

The obligations above apply only for as long as other Parties still have - or still may request - Access Rights to the Results.

8.4 Dissemination

8.4.1

For the avoidance of doubt, the confidentiality obligations set out in Section 10 apply to all dissemination activities described in this Section 8.4 as far as Confidential Information is involved.

Notwithstanding the aforesaid, a Party proposing a publication shall never be required to change or amend a proposed publication in any way that affects the academic or scientific value or objectivity of the publication, unless the proposing Party agrees specifically to such change or amendment and unless the publication is in breach of article 8.4.3 or article 10.

The objecting Party can request a publication delay of not more than 90 calendar days from the time it raises such an objection. After 90 calendar days the publication is permitted, provided that the objections of the objecting Party have been addressed.

A Party shall not include in any dissemination activity another Party's Results or Background without obtaining the owning Party's prior written approval, unless they are already published.
