Vážený pane Toupale, přeji vám hezké odpoledne.

Máme pro vás stále drženou rezervaci na 20.4. – představení Armida v počtu 90 ks vstupenek, avšak doposud nemáme od vás žádné nové zprávy, nebo zaslanoú objednávku. Pokud rezervaci nevyužijete, rádi bychom ji uvolnili do prodeje.

S pozdravem a pohodový víkend

Ahoj Tome,

As briefly shared yesterday, we are coming for the Skoda brand experience with 100 participants (dealer investors mainly) from India and we will be in Prague already 18th April evening
19th we are all day busy with Skoda and mainly in Mlada Boleslav and around
20th we are at countryside – explore more of The Czech Republic – culture, history, brewery, glass factory etc.
20th early evening we are coming back to Prague and want to visit National Theatre for opera Armida what fits perfectly to czech heritage and origin

Would you please forward this request to responsible colleagues that are able to make for us the booking/buying of 110 tickets based on your relationship with NT – the places should be mainly together however we leave it up to you and availability

The tickets will be bought by VI and invoiced back to Skoda India with complete event together

Thanks a lot

BR

Petr
