Compliance with all applicable national and international (Re-) Export Control Compliance Laws and Sanctions Regulations is of utmost importance to the Bosch Group. As a consequence thereof, Bosch Group will only accept any products and/or services provided by its suppliers that are in full compliance with all applicable (Re-) Export Control Compliance Laws and Sanctions Regulations, including but not limited to, those of the UN, EU & US. You as a supplier are obliged to take any actions necessary to fully comply with all applicable (Re-) Export Control Compliance Laws and Sanctions Regulations at any time and to ensure that the delivery of products or performance of any services is in full compliance with these laws and regulations in countries any products are to be sold or used as agreed or contractually stipulated with Bosch. Besides, you shall be obliged to inform Bosch Group without undue delay about any changes of and with regards to applicable laws and regulations that may have any impact on the export, (re-)export or use of the products and/or services provided by you.

The supplier guarantees that it complies with the provisions of the Bosch standard N2580 (prohibition and declaration of substances), in the version as of the date of this order, which can be found in the internet at [www.bosch.com](http://www.bosch.com) in the download area of purchasing and logistics.

We only require an order confirmation if the quantity, price or delivery date deviate from our order.
