All quoted items are factory new (FN), manufactured by SQS in the Czech Republic. Certificate of Conformity (CoC) may be supplied as per your request.

All quoted items are NC/NR (non-cancellable, non-returnable).

The quotation is subject to prior sales. Availability of materials may change without prior notice. We will be pleased to re-quote at any time.

The shown leadtime is non-binding and for orientation purposes only, estimated from the assumed reception of the order. The binding leadtime will be communicated along with the order acknowledgement. In case the customer delivers material for production, the leadtime is always understood to be calculated from reception of the material.

Manipulation charge of 30 EUR will be added in case the total order value does not exceed 100 EUR.

Bank charges shall be shared between SQS and the customer (option SHA). SQS accepts neither cheque payments nor PayPal nor credit card payments.

With best regards,

SQS VláknoVá optika a.s.
