Dear Sir/Madam,

This letter is to confirm that Marina Heniková is registered to actively participate in the 16th International FoodComp Course scheduled to take place from 23rd of June to 28th of June 2024 at the Wageningen International Congress Centre (Hotel WICC), Wageningen, The Netherlands.

The course is organized by The Division of Human Nutrition and Health of Wageningen University in co-operation with the Graduate School VLAG and its primary objective is to demonstrate how to produce, manage and use good quality food composition data in a standardized way. The program will include lectures, assignments, E-learning and group work, designed to provide participants with comprehensive knowledge and skills in creation and application of food composition data in nutrition.

We anticipate Marina Heniková's active engagement in the course, and we are confident that her participation will be valuable both to her and to the other participants.

Please consider this letter as formal confirmation of their upcoming participation in our course. Should you require any further information or have any questions, please feel free to contact us.

Sincerely,

Éva Jermendi, PhD
