

Příloha II

Plán snižování hodnoty záruky

The figure displays a 10x10 grid of black and white squares. The pattern is characterized by a central 4x4 block of black squares, which is surrounded by a 2x2 block of white squares. This central pattern is repeated across the entire grid. Additionally, there are vertical black bars at the top and bottom edges of the grid, and horizontal black bars at the left and right edges.
