Regendova A, Samesova A, Zapletalova K, Horejskova S, Svata Z, Hrdouskova M, Zapletal J, Krofta L, Hajkova Hympanova L. Comparison of Cross-Sectional Area of Pubovisceral Muscle in Nulliparous and Primiparous Women. *Int Urogynecol J*. 2024 Apr;35(4):841-848. doi: 10.1007/s00192-024-05733-3. Epub 2024 Feb 20. PMID: 38376549; PMCID: PMC11052823.

Dear Dr. Hympanova,

Congratulations on the recent acceptance of your article, "Comparison of cross-sectional area of pubovisceral muscle in nulliparous and primiparous women," in the *International Urogynecology Journal*. We have just sent your accepted manuscript to production. You will soon receive a publishing agreement email with a subject line that begins with "Next steps for publishing your article." Once you complete these steps, you will receive an email within 3 weeks from CorrAdmin1@spi-global.com with instructions and a link for submitting your proofs. Please return your proofs within 48 hours of receipt.

When reviewing your proofs, please ensure that all information, including the spelling of author names and order of authorship, are correct. Once you return your proofs and the manuscript is published, we cannot make any additional changes. If you have any questions, please contact the Editorial Office at ijeditorialoffice@gmail.com.
