tuto

SMLOUVU O VÝPŮJČCE

podle ust. § 2193 občanského zákoníku v platném znění

I. Čestné prohlášení

Půjčitel prohlašuje, že je výlučným vlastníkem níže uvedených movitých věcí tj. instrumentária pro TEP kyčelního kloubu (revizní) /*identifikace, značka přístroje, příp. výrobce/* viz. Příloha č. 1 výrobní čísla...viz. Příloha č. 1, v účetní hodnotě viz. Příloha č. 1 Kč včetně DPH (dál jako „vypůjčená věc“).

Pozn. předmět výpůjčky lze vymezit tak, že sestava movitých věcí bude tvořit přílohu č. 1 k této smlouvě a její nedílnou součástí a v článku 1 smlouvy se bude na tuto přílohu odkazovat.

II. Předmět smlouvy

1. Zúčastněné smluvní strany si navzájem prohlašují, že jsou oprávněny tuto smlouvu uzavřít a řádně plnit závazky v ní obsažené, a že splňují veškeré podmínky a požadavky stanovené zákonem a touto smlouvou.
2. Tato smlouva je uzavírána na základě výsledků otevřeného řízení podle zákona č. 134/2016 Sb., o zadávání veřejných zakázek v platném znění zahájeného kupujícím jako veřejným zadavatelem **FN Olomouc – Totální endoprotézy kyčelního a kolenního kloubu“** část I., interní evidenční číslo **VZ-2024-000190-01**. V případě, že je v této smlouvě odkazováno na zadávací dokumentaci, má se na mysli zadávací dokumentace vztahující se k uvedené veřejné zakázce. Smluvní strany se zavazují plnit podmínky obsažené v této smlouvě, přičemž za závazné se pro obě smluvní strany považuje rovněž zadávací dokumentace a nabídka, kterou půjčitel předložil do zadávacího řízení.
3. Půjčitel se na základě této smlouvy zavazuje bezplatně přenechat vypůjčiteli movitou věc uvedenou v čl. I. a zavazuje se umožnit mu její bezplatné dočasné užívání.
4. Na základě této smlouvy vznikne vypůjčiteli právo užívat předmětnou věc za účelem jejího využívání na Ortopedické klinice vypůjčitele.

III. Trvání smlouvy

1. Tato smlouva se uzavírá na dobu určitou, a to po dobu účinnosti kupní smlouvy uzavřené na základě totožného zadávacího řízení.
2. Tato smlouva může být ukončena následujícími způsoby:
 - 2.1. písemnou dohodou smluvních stran;
 - 2.2. písemnou výpovědí vypůjčitele s výpovědní dobou v délce 1 měsíce, přičemž tato počne běžet prvním dnem měsíce následujícího po měsíci, v němž byla výpověď doručena půjčiteli;
 - 2.3. písemným odstoupením, v případech stanovených zákonem a uvedených v této smlouvě. Oznámení o odstoupení musí obsahovat důvod odstoupení a musí být doručeno druhé smluvní straně. Účinky odstoupení nastanou okamžikem doručení písemného vyhotovení odstoupení druhé smluvní straně.
3. Vypůjčitel se zavazuje vypůjčenou věc vrátit půjčiteli po uplynutí doby vypůjčení v místě sídla vypůjčitele ve stavu odpovídajícím obvyklému opotřebení za dobu jejího využívání s ohledem na povahu a účel užívání věci. O vrácení vypůjčené věci je půjčitel povinen vypůjčiteli vystavit potvrzení a toto vypůjčiteli odevzdat při zpětném převzetí věci.

IV. Ostatní ujednání

1. Půjčitel je povinen předat vypůjčiteli movitou věc uvedenou v čl. I. ve stavu způsobilém k řádnému užívání vč. jejích součástí a vybavení.
2. O předání vypůjčené věci půjčkitelem vypůjčiteli sepíší smluvní strany protokol. Do protokolu je půjčitel povinen zahrnout informaci o případných vadách vypůjčené věci, které nebrání jejímu řádnému užívání. Součástí protokolu o předání a převzetí vypůjčené věci je také protokol o zaškolení zdravotnického personálu vypůjčitele provedeného půjčkitem. Písemný protokol o předání a převzetí vypůjčené věci se smluvní strany zavazují vyhotovit ve dvou stejnopisech, kdy po jednom obdrží každá ze smluvních stran.
3. Půjčitel je povinen předat vypůjčiteli spolu s vypůjčenou věcí všechny doklady nutné k řádnému a účelnému využívání vypůjčené věci v českém jazyce (certifikáty, návod k použití apod.) a současně je povinen seznámit vypůjčitele s technickými a provozními pokyny výrobce vypůjčené věci. Vypůjčitel se naproti tomu zavazuje tyto technické a provozní pokyny dodržovat.
4. Zatají-li půjčitel vypůjčiteli vadu vypůjčené věci, nepředá-li vypůjčiteli potřebné doklady k vypůjčené věci, nebo neseznámí-li vypůjčitele dle předchozího ustanovení s provozními pokyny k užívání vypůjčené věci a v důsledku tohoto vznikne vypůjčiteli škoda, je půjčitel povinen tuto nahradit vypůjčiteli v plné výši.
5. Půjčitel se zavazuje nahradit vypůjčiteli veškeré náklady vynaložené na opravy a servis vypůjčené věci. Vypůjčitel se zavazuje na požádání půjčitele předložit mu doklady svědčící o účelném vynaložení těchto nákladů.
6. Půjčitel je oprávněn průběžně kontrolovat způsob užívání vypůjčené věci vypůjčkitem. Kontrolu způsobu užívání věci je půjčitel oprávněn provést v termínu určeném předchozí domluvou s vypůjčkitem.
7. Vypůjčitel není oprávněn bez souhlasu půjčitele přenechat vypůjčenou věc do užívání třetí osobě.
8. Pokud vypůjčitel poruší podmínky sjednané touto smlouvou tím, že vypůjčenou věc bez souhlasu půjčitele přenechá do užívání třetí osobě, nezajistí její dostatečnou ochranu anebo nebude-li věc užívat dle provozních pokynů, se kterými půjčitel vypůjčitele seznámil, je půjčitel oprávněn od této smlouvy odstoupit. Vypůjčitel po odstoupení ze strany půjčitele bez zbytečného odkladu předá půjčiteli vypůjčenou věc na jeho písemné vyžádání v sídle vypůjčitele.
9. Zjistí-li vypůjčitel po protokolárním předání a převzetí vypůjčené věci, že věc má vady, které brání jejímu řádnému užívání, je oprávněn od této smlouvy odstoupit. V takovém případě je půjčitel povinen poskytnout vypůjčiteli veškerou potřebnou součinnost k vrácení vypůjčené věci. Neposkytne-li půjčitel vypůjčiteli k tomuto potřebnou součinnost, nebo odmítne-li vypůjčenou věc bez závažných důvodů a bez zbytečného odkladu převzít zpět, je vypůjčitel oprávněn věc uskladnit, nebo nechat uskladnit na náklad půjčitele.

V.
Závěrečná ustanovení

1. Není-li v této smlouvě stanoveno jinak, řídí se práva a povinnosti obou smluvních stran příslušnými ustanoveními zák. č. 89/2012 Sb., občanského zákoníku v platném znění, zvláštních právních předpisů, kterými se provádí občanský zákoník a zvláštních právních předpisů souvisejících.
2. Jakákoli písemnost podle této smlouvy bude považována za doručenou dnem:
 - jejího fyzického předání oznámení (komunikace), je-li doručováno prostřednictvím kurýra nebo osobně (za podmínky, že je doručováno na příslušnou adresu příslušné druhé smluvní strany uvedenou v záhlaví této smlouvy, nebo na jinou po podpisu této smlouvy písemně oznámenou adresu);
 - nebo dnem doručení potvrzeným na tzv. dodejce, je-li oznámení (komunikace) zasíláno doporučenou poštou (za podmínky, že je doručováno na příslušnou adresu příslušné druhé smluvní strany uvedenou v záhlaví této smlouvy, nebo na jinou po podpisu této smlouvy písemně oznámenou adresu).V pochybnostech se má za to, že písemnost byla druhé smluvní straně doručena pátým dnem po jejím prokazatelném odeslání.
3. Tato smlouva je vyhotovena ve dvou stejnopisech, z nichž obdrží jedno vyhotovení půjčitel a jedno vypůjčitel.
4. Tato smlouva nabývá platnosti dnem jejího podpisu oběma smluvními stranami.
5. Smluvní strany prohlašují, že tato smlouva byla sepsána na základě pravdivých údajů a jejich svobodné, pravé a vážné vůle a může být měněna pouze písemně formou chronologicky číslovaných dodatků, které se podpisem oběma smluvními stranami stávají nedílnou součástí této smlouvy.
6. Smluvní strany poté, co si smlouvu přečetly v jejím doslovném znění, prohlašují, že s jejím obsahem souhlasí a že jejímu obsahu zcela porozuměly, přičemž tuto skutečnost stvrzují svými podpisy.
