na straně druhé jako zhotovitel

(dále jako „zhotovitel“)

(objednatel a zhotovitel dále společně též jako „smluvní strany“ nebo každý samostatně též jako „smluvní strana“)

Smluvní strany se dohodly, v souladu s ustanovením čl. 19. Společná ustanovení odst. 19.3, na uzavření tohoto dodatku č. 3 ke smlouvě o dílo (dále jen „smlouva“) na realizaci akce „Nový Jičín – snížení energetické náročnosti SO 020, vč. modernizace vytápění – realizace“ uzavřené mezi výše uvedenými smluvními stranami dne 14. 3. 2024 ve znění dodatku č. 1 ze dne 28. 3. 2024 a dodatku č. 2 ze dne 8. 8. 2024. Tímto dodatkem č. 2 se ruší stávající znění článku 5 odst. 5.1 smlouvy a nahrazuje se novým zněním:

1) Článek 5 Cena za dílo, platební podmínky:

5.1. Smluvní strany se dohodly na této celkové výši ceny za dílo:

- a. Celková cena bez DPH 45 194 916,63 Kč (slovy: čtyřicet pět milionů sto devadesát čtyři tisíc devět set šestnáct korun českých šedesát tři haléřů)
- b. DPH 21 % ve výši 9 490 932,49 Kč (slovy: devět milionů čtyři sta devadesát tisíc devět set třicet dva korun českých, čtyřicet devět haléřů)
- c. Celková cena včetně DPH ve výši 54 685 849,12 Kč (slovy: padesát čtyři milionů šest set osmdesát pět tisíc osm set čtyřicet devět korun českých, dvanáct haléřů), (dále též „Cena za provedení díla“);

2) Smlouva o dílo se doplňuje o:

Přílohu č. 7: Oznámení změny a změnový list č. 8 až 16 vč. rozpočtů změn a fotodokumentace

Ostatní ustanovení smlouvy se dodatkem č. 3 nemění.

Dodatek č. 3 je vyhotoven v elektronické podobě v jednom vyhotovení v českém jazyce s elektronickými podpisy obou smluvních stran v souladu se zákonem č. 297/2016 Sb., o službách vytvářejících důvěru pro elektronické transakce, ve znění pozdějších předpisů.

Smluvní strany si dodatek č. 3 přečetly, s jeho obsahem souhlasí, což stvrzují svými podpisy.

Dodatek č. 3 nabývá platnosti dnem podpisu oběma smluvními stranami a účinnosti dnem uveřejnění v registru smluv. Zhotovitel bere na vědomí, že uveřejnění v tomto registru v plném znění zajistí objednatel.

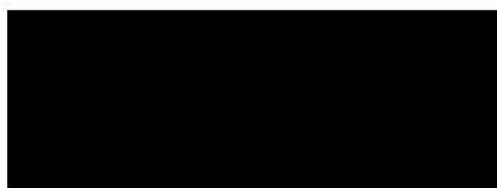

Za objednatele:

V Praze

the 1990s, the number of people in the world who are undernourished has increased from 600 million to 800 million (FAO 2001). The number of people who are obese has increased from 100 million in 1975 to 300 million in 2000 (WHO 2000). The prevalence of obesity in the United States has increased from 15% in 1976 to 30% in 1994 (Flegal et al. 1994). The prevalence of obesity in the United Kingdom has increased from 10% in 1980 to 22% in 1996 (Health Survey for England 1996).

Obesity is a complex condition, and the aetiology is multifactorial. The prevalence of obesity is increasing in many countries, and this is a reflection of the increasing prevalence of obesity in the general population. The prevalence of obesity is increasing in many countries, and this is a reflection of the increasing prevalence of obesity in the general population. The prevalence of obesity is increasing in many countries, and this is a reflection of the increasing prevalence of obesity in the general population.

the 1990s, the incidence of *S. flexneri* infections has increased in the United Kingdom [10]. In the United States, the incidence of *S. flexneri* infections has increased in the 1990s, with a peak in 1994 [11].

There is a paucity of data on the incidence of *S. flexneri* infections in the United Kingdom. In the 1980s, the incidence of *S. flexneri* infections was estimated to be 1.5 cases per 100 000 per year in the United Kingdom [12]. In the 1990s, the incidence of *S. flexneri* infections was estimated to be 1.5 cases per 100 000 per year in the United Kingdom [13].

The purpose of this study was to determine the incidence of *S. flexneri* infections in the United Kingdom in the 1990s. The study was conducted in the United Kingdom, where the incidence of *S. flexneri* infections has increased in the 1990s.
