Company and Customer may each be referred to in this Agreement as a "Party" or together as the "Parties."
By downloading, installing, copying, accessing, or using the Software, You agree to the terms and conditions of this Agreement. If You do not agree to this Agreement, You must:
•   Not download, install, copy, access or use the Software; and
•   Promptly return the proof of entitlement of the Software to the Party from whom You acquired the Software.
If the Software was delivered to You embedded in Our Hardware, do not download, install, or use the Software if You do not agree to this Agreement.
Capitalized terms used in this Agreement have the meaning assigned to them as provided in Section 16 below, or as may be defined elsewhere in this Agreement.
1.   License Grant.
1.1   Right to Use the Software. Subject to Your compliance with the terms and conditions of this Agreement, and payment of the applicable license fees, We grant You a non-exclusive, nontransferable right to use the Software listed in the Grant Letter solely for Your own internal business operations. Your use of the Software includes the right to download, install, and access the Software. You are not granted rights to Updates and Upgrades unless You have purchased Support (or a service subscription granting rights to Updates and Upgrades).
2.   Usage Rights.
2.1   Product Entitlement. Your entitlement to use the Software is subject to the quantity limits and usage metrics described in the applicable Grant Letter and applicable Product Entitlement Definitions for the type of licenses You have purchased (e.g., nodes).
2.2   Multiple Platforms/Bundles. If the Software supports multiple platforms, or if You receive the Software bundled with other Software, the total number of devices on which all versions of the Software is installed may not exceed the Customer Product Entitlement Definitions. Certain Software licensed as part of a suite-based Product may also require the purchase of a separate Company server license to use the Software on certain types of servers, in each case as specified in the applicable Documentation.
2.3   Term, Renewal of Subscription Licenses
When your Grant Letter does not specify a term, the license is perpetual; all other licenses are subscription licenses. The term of Your initial subscription license is set forth in the Grant Letter You receive with Your initial purchase (the "Initial Term"). The Initial Term and each Renewal Term are collectively referred to as the "Term."

Upon the expiration of the Initial Term, Your subscription license shall automatically renew for additional, successive terms that are identical in length to the Initial Term ("Renewal Term"), unless otherwise specified in the applicable Grant Letter or in a separate written agreement, or either party gives the other written notice of non-renewal for subsequent Renewal Term(s) at least sixty (60) calendar days prior to the end of the relevant Initial or Renewal Term. The auto-renew terms set forth in this Section 2.3 shall not apply to government end user customers.

If You do not provide timely notice of non-renewal either to Us or to an Authorized Partner, We will assume that You have agreed to renew your subscription license and pay the applicable renewal fee (to us or an Authorized Partner, as applicable) for a subsequent Renewal Term and you will be

invoiced accordingly. We reserve the right to suspend or terminate Your subscription license in the event of non-payment of the applicable fee.

2.4 Copies. You may copy the Software as reasonably necessary for back-up, archival, or disaster recovery purposes.

2.5   Affiliates, Managing Parties. You may permit use of the Software in accordance with this Agreement:

(a)   by an Affiliate;

(b)   by a third-party with which You enter into a contract to manage Your information technology resources ("Managing Party") if:

(i)   the Managing Party only uses the Software for Your internal operations and not for the benefit of another third-party or itself;

(ii)   the Managing Party agrees to comply with the terms and conditions of this Agreement; and

(iii)   You provide Us with written notice that a Managing Party will be using the Software on Your behalf.

You are responsible and fully liable for each Affiliate's and Managing Party's compliance with, or breach of, this Agreement.

2.6   General Restrictions. You shall not, and shall not cause or allow any third-party to:

(a)   decompile, disassemble, or reverse-engineer the Software, or create or recreate the source code for the Software;

(b)   remove, erase, obscure, or tamper with any copyright or any other product identification or proprietary rights notices, seal, or instructional label printed or stamped on, affixed to, or encoded or recorded in or on any Software or Documentation; or fail to preserve all copyright and other proprietary notices in all copies You make of the Software and Documentation;

(c)   lease, lend, or use the Software for timesharing or service bureau purposes;

(d)   except as expressly permitted in this Agreement, sell, market, license, sublicense, distribute or otherwise grant to any person or entity any right to use the

Software; or use the Software to provide, alone or in combination with any other product or service, any product or service to any person or entity, whether on a fee basis or otherwise;

(e)   modify, adapt, tamper with, translate or create Derivative Works of the Software or the Documentation; combine or merge any part of the Software or Documentation with or into any other software or documentation; or refer to or otherwise use the Software as part of any effort to develop software (including any routine, script, code, or program) having any functional attributes, visual expressions, or other features similar to those of the Software to compete with Us;

(f)   except with Our prior written permission, publish any performance or benchmark tests or analysis relating to the Software;

(g)   attempt to do any of activities in subsections (a) to (f) above; or

(h)   run or operate the Software in a cloud, internet-based computing, or similar on-demand computing environment unless Your Grant Letter or the applicable Product Entitlement Definitions specifically allows such use.

3.   TECHNICAL SUPPORT AND MAINTENANCE

Our Technical Support and Maintenance Terms and Conditions apply and are incorporated herein if You have purchased Support. Support may be included with a subscription license or purchased as a separate entitlement for a perpetual license. After the Support Period or service subscription period specified in a Grant Letter has expired, Your entitlement to Support ends. We may change the Support offered at any time, with such change to become effective as of the commencement of any Support renewal period unless a date of such commencement specified otherwise in Our notices.

4.   TERMINATION.

4.1   Without prejudice to Your payment obligations, You may terminate Your license at any time by uninstalling the Software.

4.2   We may terminate Your license if:

•   You materially breach this Agreement or Your breach cannot be cured.

•   You otherwise breach this Agreement and fail to cure the breach within thirty (30) days of receiving Our notice of the breach.

4.3   Upon termination or expiration of a subscription license, Your right to use the license (and any applicable services in support thereof) shall automatically terminate with immediate effect.   You must promptly return, destroy, or permanently delete all copies of the Software and Documentation.

4.4   End-of-Life. Your right to use or obtain Support for the Software, and any Software features is subject to Our End-of-Life Policy. Upon the End-of-Life date of a Software Product or any feature of a Software Product (as We determine in accordance with the End-of-Life Policy), Your right to use or obtain Support for the Software or Software feature shall terminate.

5.   PAYMENT, TAXES, SOFTWARE DEPLOYMENT VERIFICATION.

5.1   Payment. If You purchased Software license(s) through an Authorized Partner, Your payment obligations are exclusively between You and the Authorized Partner. If You have purchased Software license(s) directly from Us, You agree to pay Us the

license fees for the Software within thirty (30) days of the invoice date. Late payments are subject to interest of one and one-half percent (1.5%) per month or the highest rate permitted by law, whichever is lower. All payment obligations are noncancelable and non-refundable. If You consider an invoice to be incorrect, You must contact Us in writing within thirty (30) days of the date of invoice to request an adjustment or credit.

5.2   Transaction Taxes. If You purchase Software license(s) directly from Us, You agree to pay all applicable transaction taxes, including sales and use taxes, value added taxes, duties, customs, tariffs, and other government-imposed transactional charges however designated (and any related interest or penalty) on amounts payable by You under this Agreement ("Transaction Taxes"). We will separately state on invoices the Transaction Taxes that We are required to collect from You under applicable law. You will provide proof of any exemption from Transaction Taxes to Us at least fifteen (15) Business Days before the due date for paying an invoice. If We do not collect the required Transaction Taxes from You but are subsequently required to remit the Transaction Taxes to any taxing authority, You will promptly reimburse Us for the Transaction Taxes, including any accrued penalty or interest charges if the failure to timely collect and remit was not due to Our fault.

5.3   Withholding Taxes. All payments due will be made free and clear and without deduction for any present and future taxes imposed by any taxing authority. If You are required by applicable law to deduct or withhold income taxes from amounts payable to Us under this Agreement ("Withholding Taxes"), You will remit, and provide Us with evidence that You have remitted the Withholding Taxes to the appropriate taxing authority and paid the remaining net amount. You will provide written notice to Us of Your intent to withhold (including details of the amounts and legal basis for Withholding Taxes) at least fifteen (15) Business Days before the due date for any payments under this Agreement and will cooperate with Us to reduce any Withholding Taxes. If We provide You with valid and official documentation issued by the relevant taxing authority for a lower rate of Withholding Taxes, then You will apply the lower rate.

5.4   If You purchase Software license(s) through an Authorized Partner, the obligations regarding Transaction Taxes or Withholding Taxes will be the exclusive responsibility of the Authorized Partner or You, and the terms in Sections 5.2 and 5.3 do not apply as between Us and You.

5.5   Income Taxes. Each Party is responsible for its own income taxes or taxes based on gross revenues or gross receipts.

5.6   Software Deployment Verification. No more than once per year, We may request that You provide to Us, within thirty (30) days of Our request, either (a) a systems report (if the Software You have enables You to generate such a report) or (b) an accurate Software deployment verification report for the Software (if the Software You have does not contain the technical features to generate a systems report). You acknowledge that the systems report is based on technological features of the Software that provide Software deployment verification. If the systems report or Your prepared Software deployment verification report indicates that You are out of compliance with the license terms of Your Grant Letter and this Agreement, You agree to purchase the additional

licenses and pay Us the applicable reinstatement fees associated with the licenses and Support. We may also charge You outof-compliance fees.

6.   CONFIDENTIALITY.

6.1   Each Party acknowledges that it may have access to Confidential Information of the other Party in
connection with this Agreement, and that each Party's Confidential Information is of substantial value to the Disclosing Party, which could be impaired if it were improperly disclosed to third parties or used in violation of this Agreement.

6.2   Confidential Information as used in this Agreement means any information (regardless of the form of disclosure or the medium used to store or represent it) of a Party ("Disclosing Party"), including trade secrets and technical, financial, or business information, data, ideas, concepts, or know-how, that:

(a)   is designated as "confidential" or by similar words by the Disclosing Party at the time of disclosure and, if oral or visual, is confirmed as confidential by the Disclosing Party in writing within fifteen (15) days of disclosure; or

(b)   the receiving party ("Recipient") should reasonably have considered to be confidential under the circumstances surrounding disclosure.

However, Confidential Information does not include any information that:

(a)   written records demonstrate was lawfully acquired by or previously known to the Recipient independent of the Disclosing Party;

(b)   is received from a third-party rightfully in possession of such information without restrictions on its use or disclosure and not by inadvertence or mistake;

(c)   is or has become disseminated to the public through no fault of the Recipient and without violation of the terms of this Agreement or other obligation to maintain confidentiality; or

(d)   is created independently by the Recipient without breach of this Agreement, including any obligation of confidentiality owed to the Disclosing Party.

6.3   Restrictions. Each Recipient of Confidential Information under this Agreement must:

(a)   keep the Disclosing Party's Confidential Information confidential and protect it at least to the same extent it protects its own Confidential Information and to the same extent that a reasonable person would protect such Confidential Information;

(b)   not use the Disclosing Party's Confidential Information in any way for its own account or the account of any third-party except to perform its duties, exercise its rights, or is otherwise authorized under this Agreement; and

(c)   not disclose the Disclosing Party's Confidential Information except to perform its duties or exercise its rights under this Agreement or as otherwise authorized under this Agreement, provided that:

(i)   any disclosure made to the Recipient's employees, contractors, or agents is on a need to-know basis; and

(ii)   the Recipient's employees, contractors, or agents in receipt of the Confidential Information are under an obligation of confidentiality no less stringent than that set forth in this section.

14

6.4   Notwithstanding the restrictions in Section 6.3, if the Recipient is required to disclose any of the Disclosing Party's Confidential Information by law, such as in response to a subpoena or requirement of any regulator, court, arbitral, administrative, or legislative body, the Recipient must:

(a)   where reasonably possible and permitted, immediately provide written notice to the Disclosing Party of the required disclosure to give the Disclosing Party an opportunity to move for a protective order or otherwise prevent the disclosure;

(b)   disclose only the minimum amount of Confidential Information required to satisfy the legal obligation; and

(c)   assert and take proper steps with the body requiring disclosure to maintain the confidentiality of the Confidential Information to be disclosed.

6.5   You will immediately, and at least within seventy-two (72) hours, notify Us if Confidential Information is used or disclosed in breach of this Agreement. As monetary damages may not be sufficient relief if anyone violates or threaten to violate the terms of this section, We are immediately entitled to enforce Our rights by specific performance or injunction proceedings, in addition to any other rights or remedies We may have.

6.6   Upon the Disclosing Party's request and upon termination of this Agreement (unless agreed otherwise by the Parties at the time), each Party will return, destroy, or delete permanently (at the Disclosing Party's election) the other Party's Confidential Information.

6.7   On termination of this Agreement, the Recipient must continue to keep the Disclosing Party's Confidential Information confidential for five (5) years in accordance with this Section 6.

7.   INTELLECTUAL PROPERTY RIGHTS.

7.1   The Software is considered Our Confidential Information, and We (or Our licensors) own exclusively and reserve all rights, title, and interest in and to the Software and Documentation, including all Intellectual Property Rights therein, as well as any Derivative Works.

7.2   You may not exercise any right, title, and interest in and to the Software or Documentation, or any related Intellectual Property Rights, except for the limited usage rights granted to You in this Agreement. You agree, on behalf of Yourself and Your Affiliates, that You and Your Affiliates will take no action inconsistent with Our Intellectual Property Rights.

7.3   This Agreement is not an agreement of sale, and does not transfer any title, Intellectual Property Rights or ownership rights to Software or Documentation to You. All Software is licensed to You and is not sold. You acknowledge and agree that the Software, Documentation and all ideas, methods, algorithms, formula, processes and concepts used in developing or incorporated into Software or Documentation, all future Updates and Upgrades, and all other improvements, revisions, corrections, bug-fixes, hot- fixes, patches, modifications, enhancements, releases, DATs, signature sets, upgrades, and policy and database updates and other updates in, of, or to Software or Documentation, as applicable, all Derivative Works based on any of the foregoing, and

8.   LIMITED SOFTWARE WARRANTY AND DISCLAIMER.

8.1   We warrant that, for a period of ninety (90) days from the purchase date (the "Warranty Period"), the Software licensed under this Agreement will perform substantially in accordance with the Documentation.

8.2   Exclusive Remedy. If the Software does not operate as warranted, at Our option and expense, We shall repair or replace the Software or refund You the price paid for the Software if a repair or replacement of the Software would, in Our opinion, be unreasonable. This limited warranty is conditioned upon You providing Us prompt written notice of the Software's failure to perform substantially in accordance with the Documentation. Any replacement Software will substantially conform to the accompanying Documentation and be warranted for the remainder of the original Warranty Period. The remedy set forth in this Section 8.2 is Your exclusive remedy.

8.3   Exclusions. Sections 8.1 and 8.2 do not apply if:

(a)   the Software is not used in accordance with this Agreement or the Documentation;

(b)   the Software, or any part of the Software, has been modified by any entity other than Us or Our authorized representative;

(c)   a malfunction in the Software has been caused by any equipment or software not supplied by Us;

(d)   the Software was not provided by an Authorized Partner; or

(e)   the Software is provided under an evaluation license for beta, evaluation, test, or demonstration purposes, and in all such cases, to the fullest extent not prohibited by law, the Software is furnished "AS IS" with all faults, and without express or implied warranties, conditions, or remedies (as addressed in Section 11).

Additionally, the Software may contain independent third-party software to perform certain functionality, including malware definitions or URL filters and algorithms. We make no warranty as to the operation of any third-party software or the accuracy of any third-party information.

8.4   DISCLAIMER OF WARRANTIES. EXCEPT AS SPECIFIED IN THIS SECTION 8, AND TO THE EXTENT PERMITTED BY LAW, WE PROVIDE THE SOFTWARE AND SUPPORT "AS IS", AND MAKE NO OTHER REPRESENTATIONS OR WARRANTIES OF ANY KIND REGARDING THE SOFTWARE AND SUPPORT, AND EXPRESSLY DISCLAIM ALL OTHER

OBLIGATIONS   AND LIABILITIES AND EXPRESS OR   IMPLIED

FAIL-SAFE, UNINTERRUPTED OR FREE FROM ERRORS OR DEFECTS, OR THAT THE SOFTWARE WILL PROTECT AGAINST ALL POSSIBLE THREATS.

8.5 HIGH-RISK SYSTEMS TERMS. THE SOFTWARE MAY FAIL AND IS NOT DESIGNED, DEVELOPED, TESTED, OR INTENDED TO BE RELIABLE IN THE CONTEXT OF HIGH-RISK SYSTEMS. WE HAVE NO RESPONSIBILITY FOR, AND YOU WILL INDEMNIFY AND HOLD US HARMLESS FROM, ALL CLAIMS, SUITS, DEMANDS AND PROCEEDINGS ALLEGING, CLAIMING, SEEKING, OR ASSERTING ANY LIABILITY, LOSS, OBLIGATION, RISK, COST, DAMAGE, AWARD, PENALTY, SETTLEMENT, JUDGMENT, FINE OR EXPENSES (INCLUDING ATTORNEY FEES) ARISING FROM OR IN CONNECTION WITH YOUR USE OF THE SOFTWARE ON OR IN A HIGH-RISK SYSTEM, INCLUDING THOSE THAT COULD HAVE BEEN PREVENTED BY DEPLOYMENT OF FAIL-SAFE OR FAULT TOLERANT

FEATURES TO THE HIGH-RISK SYSTEM, OR ARE BASED ON A CLAIM, ALLEGATION,

OR ASSERTION THAT THE FUNCTIONING OF HIGH-RISK SYSTEM DEPENDS OR DEPENDED ON THE FUNCTIONING OF THE SOFTWARE, OR THAT THE FAILURE OF THE SOFTWARE CAUSED A HIGH-RISK SYSTEM TO FAIL.

9. LIMITED HARDWARE WARRANTY. The limited Hardware warranty posted on the Trellix Legal Notices website (https://www.trellix.com/about/legal/) is incorporated into this Agreement and shall apply to Hardware.

10. LIMITATION OF LIABILITY.

10.1 EACH PARTY'S ENTIRE AGGREGATE LIABILITY TO THE OTHER PARTY FOR CLAIMS UNDER OR RELATED TO THE SUBJECT-MATTER OF THIS AGREEMENT WILL NOT EXCEED THE TOTAL FEES RECEIVED BY US FOR THE APPLICABLE SOFTWARE AND SUPPORT PURCHASED UNDER THE TERMS OF THIS AGREEMENT AND ATTRIBUTABLE TO THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE FIRST EVENT GIVING RISE TO SUCH LIABILITY.

10.2 NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, EXEMPLARY, SPECIAL OR CONSEQUENTIAL DAMAGES, LOSS OR CORRUPTION OF DATA OR INTERRUPTION OR LOSS OF BUSINESS, LOSS OF REVENUES, LOST PROFITS, GOODWILL OR ANTICIPATED SALES OR SAVINGS, EVEN IF THE DAMAGES WERE FORESEEABLE OR A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES.

10.3 THESE LIMITATIONS OF LIABILITY DO NOT APPLY TO LIABILITY ARISING FROM (A) YOUR FAILURE TO PAY ALL AMOUNTS DUE, OR (B) YOUR BREACH OF SECTIONS 2 (USAGE RIGHTS), 6 (CONFIDENTIALITY) 7 (INTELLECTUAL PROPERTY RIGHTS) OR 14.2 AND 14.3 (COMPLIANCE WITH LAWS). THESE LIMITATIONS OF LIABILITY APPLY WHETHER SUCH CLAIMS ARISE UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE), EQUITY, INFRINGEMENT, STATUTE OR OTHERWISE. NOTHING IN THIS AGREEMENT LIMITS OR EXCLUDES ANY LIABILITY THAT CANNOT BE LIMITED OR EXCLUDED UNDER APPLICABLE LAW. ALL THESE LIMITATIONS OF LIABILTY ARE CUMULATIVE AND NOT PER INCIDENT.

11.   INDEMNIFICATION.

11.1   Customer Indemnification Obligations. You shall indemnify and defend Us, Our Affiliates, and Our officers, directors, employees, contractors, and agents (each an "Indemnified Party") against any claims, liabilities, and expenses (including court costs and reasonable attorney fees) that an Indemnified Party incurs as a result of, or in connection with:

(a)   any third-party claims ("Third-Party Claims") arising from:

(i)   Your failure to obtain any consent, authorization, or license required for Our use of data, software, materials, systems, networks, or other technology You provide to Us under this Agreement;

(ii)   Your use of the Software in a manner not expressly permitted by this Agreement;

(iii) Our compliance with any technology, designs, instructions, or requirements provided by You or a third-party on Your behalf;

(iv)   any claims, costs, damages, and liabilities whatsoever asserted by any of Your Representatives; or

(v)   any violation by You of applicable laws; and

(b)   any reasonable costs and attorneys' fees required for Us to respond to a subpoena, court order or other official government inquiry regarding Your use of the Software.

11.2   Company Indemnification Obligations.

(a)   We will defend You against an unaffiliated, third-party claim that Your valid use of Our Software in accordance with this Agreement infringes a third-party's patent, copyright, or registered trademark, when such claim is asserted in a Covered Country against the Software alone, and not in combination with non-Company product or service, or solely a combination of Our Software ("Third-Party Claim"). We will indemnify You against any final judgement entered by a court of competent jurisdiction or any settlements arising out of the Third-Party Claim, subject to Section 11.2 (b) below.

(b)   Exclusions. We have no obligation with respect to any Third-Party Claim(s) based on:

(i)   compliance with technology, designs, instructions, or requirements that You, or a third-party acting on Your behalf, provided to Us;

(ii)   modifications or programming to the Software that were made by anyone other than Us;

(iii) use of the Software outside the scope of the applicable Documentation or outside the entitlements granted under this Agreement or the applicable Grant Letter;

(iv)   Your continued use of the Software that is the subject of a Third-Party Claim, after We have provided You with a modified or new version of the Software at no additional cost that is intended to rectify the alleged infringing Software; and (v) any Software provided on a no charge, beta, or evaluation basis.

(c)   Remedies. We may, at Our sole discretion and at Our own expense, with respect to any Software that is subject to a Third-Party Claim:

(i)   procure for You with the right to continue using the Software;

(ii)   replace the Software with a non-infringing Software;

18

(iii)   modify the Software so that it becomes non-infringing; or

(iv)   upon Your return of a proof of entitlement of the Software to Us and removal of the Software permanently from Your systems, refund the residual value of the purchase price You paid for the infringing Software, depreciated using a straight-line method of depreciation over a three (3) year period from the date of delivery of the Software to You.

11.3   Indemnification Procedure. The indemnified party ("Indemnitee") will: (a) provide prompt written notice to the indemnifying party ("Indemnitor") of the claim (provided that the failure to provide timely notice that prejudices the Indemnitor will relieve the Indemnitor of its obligations under this section to the extent the Indemnitor has been prejudiced and the failure to provide timely notice will relieve the Indemnitor of any obligation to reimburse the Indemnitee for its attorney's fees incurred prior to notification); (b) reasonably cooperate in connection with the defense or settlement of the claim; and (c) give the Indemnitor sole control over the defense and settlement of the claim, provided that any settlement of a claim will not include a specific performance obligation or admission of liability by the Indemnitee.

11.4   Personal and Exclusive Remedy. The foregoing indemnities are personal to the Parties and may not be transferred. THIS SECTION 11 STATES EACH PARTY'S ENTIRE INDEMNIFICATION OBLIGATIONS, AND THE EXCLUSIVE REMEDY REGARDING THIRD-PARTY CLAIMS.

12.   ADDITIONAL TERMS.

12.1   Evaluation, Beta and Malware Software. If We identify the Software licensed to You as Evaluation, Beta or Malware Software (collectively, "Evaluation Software"), this Section 12.1, Sections 12.2 and 12.3 shall apply and supersede any conflicting terms in this Agreement. Your royalty-free, nontransferable, limited license to use any Evaluation Software is for Your internal evaluation purposes only, and is limited to thirty (30) days, unless agreed otherwise in writing by Us. Evaluation Software may contain errors or other problems that could cause system or other failures and data loss. You have a limited license to use information You receive from Evaluation Software solely for Your internal evaluation purposes and You must not provide that information to any third parties without Our prior written consent. The General Restrictions in Section 2.6 above apply. If You fail to destroy Evaluation Software after the evaluation period has expired, We may, at Our discretion, invoice You in an amount equal to the then-current list price for the Software (excluding Beta Software) and You agree to pay such invoice upon receipt. Support is not available for Evaluation Software. For Beta Software, we have no obligation to You to further develop or publicly release any Beta Software.

12.2   Feedback. We welcome any comments, suggestions for improvements, and feedback regarding Our Software (including Evaluation Software), Products and Services ("Feedback"). You hereby agree that We own all right, title, and interest in and to the Feedback, including any and all associated Intellectual Property Rights, and that We may use, copy, modify, create Derivative Works based upon, and otherwise exploit the Feedback for any purpose, without notice or attribution to, payment to or consent

from You, and You acknowledge that such Feedback will be solely Our Confidential Information.

12.3   Disclaimer of Warranties. Our indemnification obligations in Section 11 above do not apply to Evaluation, Beta or Malware Software. Evaluation, Beta, and Malware Software are provided to You solely on an "AS IS" basis; You assume all risk of use of such Software. Your access to, and use of any Evaluation, Beta and Malware Software is strictly limited for Your internal use and evaluation purposes, and shall not be subject to resale, distribution or for any other use or purposes whatsoever. If the laws in Your jurisdiction do not allow the exclusion of express or implied warranties, the disclaimer in this section may not apply and the express or implied warranties will be limited in duration to any minimum period required by applicable law, and Our aggregate liability and that of Our licensors will be limited to the sum of fifty (50) United States dollars (or the then current value in the relevant local currency) in total.

12.4 "Free" or Open-Source Software. The Software may include components (including programs, applications, tools, utilities, libraries, and other programming code) that are made available from third parties under a free or open-source software licensing model (FOSS Code). FOSS Code components included with the Software are redistributed by Us under the terms of the applicable FOSS Code license for such component. Your receipt of FOSS Code components from Us under this Agreement neither enlarges nor curtails Your rights or obligations defined by the FOSS Code license applicable to the FOSS Code component. Copies of the FOSS Code licenses for FOSS Code components included with Software are included with or referenced in the Software's Documentation.

13.   DATA.

13.1   The Software or Support may employ applications and tools to collect Data. Our collection of Data may be necessary to provide You and End Users with the relevant Software or Support functionalities as ordered (including detecting and reporting threats and vulnerabilities on Your and End Users' computer network), to enable Us to improve Software or Support (including content synchronization, device tracking, troubleshooting, etc.), to manage licenses to Software or Support, and to further or improve overall security. You may be required to uninstall the Software or disable Support to stop further Data collection that supports these functions.

13.2   In connection with your use of the Software, Support, Product, or Cloud Services, You and Your End Users agree to Our Privacy Policy and to the collection, processing, copying, backup, storage, transfer and use of the Data by Us and Our service providers, in, from and to the United States, Europe, or other countries or jurisdictions potentially outside of Your or End Users' own jurisdiction as part of the Software, Support or service subscription.
