Except as set forth below, this Order Form is governed by the DataCamp Terms of Use located at <https://www.datacamp.com/terms-enterprise> (the "Terms" and together with the Order Form, the "Agreement"), unless DataCamp and Customer have entered into, or subsequently enter into, a separate master services agreement, or other written agreement, in which case such separate agreement will govern and entirely supersede the Terms. DataCamp rejects additional or conflicting terms of any Customer form-purchasing document whether presented contemporaneously or after Customer has agreed to be bound by this Agreement, regardless of any acceptance by DataCamp (i.e., as evidenced by the issuance of an invoice referencing such form-purchasing document). Capitalized terms not otherwise defined in this Order Form have the meanings assigned to them in the Terms. This Order Form will become effective when signed by both parties. The date this Order Form is signed by the last party to sign it (as indicated by the date under that party's signature below) will be deemed the "Execution Date" of the Agreement.
