Please review the following requirements and initial the boxes to verify that you will comply:

- ☐ I understand that the institution must forbid the use of software for commercial purposes, even if performed by institution employees, except as related to research contracts awarded to the institution. Should the software be used for any purpose other than the educational use expressly described below, the institution will be in violation of its Software License Agreement with 3D Systems. Any such violation will be deemed a forfeiture of any special educational discount offer and will result in the institution being charged the full commercial price of the software.
- ☐ I understand that the software license (purchased at an educational discount) is to be used only at and by the educational institution and should not be knowingly transferred to individuals leaving or no longer affiliated with the institution.

I hereby agree to the terms and conditions for the use of 3D Systems software as specified in this document and hereby affirms that the software purchased by the department or college named above will be used solely for educational purposes per the requirements.
