

Purchase order

For the following

Laboratory testing of Huawei 50KTL-M3 and 100KTL-M2 with evaluation of compliance with requirements for category A2 generating plants, based on the offer provided by Vysoké učení technické v Brně, number 92/18320/2025, from 22.1.2024.

Outcomes

Report of test results, evaluated requirements for cat A2. The resulting report does not serve for the purpose of proving compliance of the product line, it is usable for the internal need of the customer to validate the settings and functionality of the FW.

Price

84 600 CZK, without VAT. (approx.. 3 360 EUR)
