Item	Description	Quantity / unit	Unit price	Net amount
	flow), scanning of erosion groove, result analysis; test conditions are nozzle sizes 050 and 080 at 150bar and 230 bar, active pulsation conditions at 20kHz, nozzle types point/flat jet/rotary nozzle and surface cleaner (2 x 040); totally 14 measurements with according reference measurements without pulsation			
	Delivery date: 06.Mar.2025			
003	Report	1.00 pc (PCE)	72.80 EUR per pc (PCE)	72.80 EUR
	Details: Report in English for the erosion tests			
	Delivery date: 06.Mar.2025			
004	Workplace preparation High-Speed Camera	1.00 pc (PCE)	1,500.00 EUR per pc (PCE)	1,500.00 EUR
	Details: Workplace preparation for high-velocity flow visualisation technique – installation design, calibration for one field of view, measuring stand setup			
	Delivery date: 06.Mar.2025			
005	High-velocity flow visualisation technique	16.00 pc (PCE)	65.00 EUR per pc (PCE)	1,040.00 EUR
	Details: recording and export of image files of one configuration of nozzle – pressure; test conditions are nozzle sizes 050 and 080 at 150bar and 230 bar, active pulsation conditions at 20kHz, nozzle types point and flat jet nozzle; totally 16 measurements with according reference measurements without pulsation			
	Delivery date: 06.Mar.2025			
006	Advanced image postprocessing	16.00 pc (PCE)	72.00 EUR per pc (PCE)	1,152.00 EUR
	Details: Advanced image postprocessing – velocity flow field analysis; test conditions are nozzle sizes 050 and 080 at 150bar and 230 bar, active pulsation conditions at 20kHz, nozzle types point and flat jet nozzle; totally 16 measurements with according reference measurements without pulsation			
	Delivery date: 06.Mar.2025			
007	Report	1.00 pc (PCE)	219.20 EUR per pc (PCE)	219.20 EUR
	Details: Report in English for the optical measurement tests			
	Delivery date: 06.Mar.2025			
Total order value (net): 5,212.00 EUR				

Please mention our order number on your delivery note / invoice.
Please specify the number of your delivery notes on your invoices.
We order using the VAT-Number mentioned in the footer of this order sheet.

The Contracting Partner shall submit the order confirmation via the document exchange platform ([procurement.solutions/exchange](#)) , as specified by Kärcher.

Our terms and conditions of purchase shall exclusively apply. Please refer to <https://kaercher.com/en/inside-kaercher/company/supplier-area/purchase-conditions-kaercher-se.html>! The Contracting Partner's general terms and conditions shall not apply, even if reference is made thereto by the Contracting Partner's order confirmation or if Kärcher accepts deliveries without reservation despite being aware of the Contracting Partner's general terms and conditions conflicting with or deviating from Kärcher's terms and conditions of purchase.

Compliance with the latest Kärcher standard KN 050.032 "Ingredients" (eg EU guideline RoHS 2011/65 / EU) must be ensured. You can download these via the link
