

Inter-Institutional Agreement 2024/2025 – 2027/2028

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Swiss-European Mobility Programme SEMP. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects related to the organisation and management of the mobility with the supplement that SEMP could promote both, outgoing mobility to programme destinations as well as incoming mobility from these countries to Switzerland, financially. Should the current status of Switzerland or of the respective partner change with regard to Erasmus+/follow-up programme, the regulations will be adjusted and partners informed in due time.

Mobility numbers per academic year

The numbers mentioned in this contract are not a commitment; reciprocity and/or prolongation may be discussed. For each academic year both parties will have the opportunity to review the exchange agreed upon in this initial paper. Upon mutual agreement, amendments of the mobility figures can be made.

The institutions agree on exchanging their mobility related data in line with the applicable legislation to data protection. They will ensure to obtain free, prior and informed consent of the students and staff whose personal data will be exchanged.
