Perfect, thank you for the info.

By attachment I send an order from SAP. I will ask you to confirm it and send it back electronically. If they do not agree with your business details, we will fix them according to the invoice.

I will ask you for an invoice

I have a big request, could I ask for two invoices based on an order?

One for 11 licenses and the other for 10 licenses. Total for 2000 EUR (excluding VAT).

This is necessary because of accounting in our country.

Thank you.

Regards
