Confirmation of FAPAS sales order

Thank you for using our interactive website. Your order is being processed. Please note:

- Orders for QC materials are usually sent out within 2 working days but those containing temperature-sensitive items are sometimes delayed by up to two days if the order is received towards the end of the week. This is to prevent them becoming unstable over the weekend period due to the unsuitable storage conditions of a courier delivery depot.
- Orders for proficiency tests will not be shipped until the advertised day of dispatch.
