

Purchase order

For the following

Laboratory testing of Huawei 100KTL-M2 with evaluation of compliance with requirements for category B1/B2 generating plants, based on the offer provided by Vysoké učení technické v Brně, number 129/18320/2025, from 04.04.2025.

Outcomes

Report of test results 1x, evaluated requirements for cat B1/B2. The resulting report does not serve for the purpose of proving compliance of the product line, it is usable for the internal need of the customer to validate the settings and functionality of the FW.

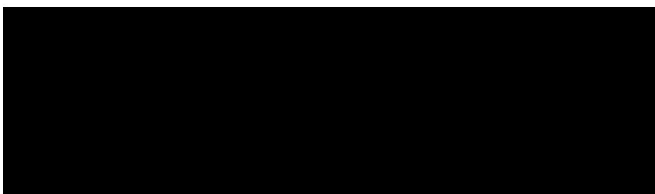

Price

185 400 CZK, without VAT. (approx.. 7 450 EUR)
