Dear Dr. Tomas Mrovec,

The subscription period of your software licenses will end shortly. Therefore we offer you a prolongation of the subscription as described below:

Please send your order to SALES@AT.VECTOR.COM and refer to our quotation number.

No.	Part No.	Description	Quantity	Price/EUR	Total/EUR
100	55000	<b>CANoe /pro DE</b> * referenced Customer license *	1 PCS		800,00

Software tool for creation and execution of (remaining bus) simulation, communication analysis, diagnostics and testing of ECUs in distributed systems, especially in the automotive environment. Can be used in real system environments with hardware access (HIL) and for purely virtual simulation environments (SIL). Supports bus system CAN.
