5.2 The transfer of the Erasmus+ grant contribution to the partner will be implemented in accordance with the following timetable and procedure of Internal budget disbursement scheme (indicated in Annex II):

The total budget for the partner is divided into portions of the lump sum contribution of specific reporting periods according to the Internal disbursement scheme (Annex II of this Agreement).

Throughout the implementation of the action, the coordinator shall transfer up to 70 % of the total contribution that the partner is expected to receive in 4 (four) instalments. The instalments are linked to specific parts of the Internal disbursement scheme (Annex II of this Agreement), which are labelled as “payments”.

The disbursement of the instalments is connected to fulfilling the work in accordance with the Description of Action and schedule set forth in the Grant Agreement and its annexes and approved application, and connected also to the Internal Reporting Scheme (Article 6 of this Agreement).

The partner can request the disbursement of the instalments from the coordinator in these steps according to the following scheme and on a basis of a written request to the coordinator project manager (a form sent by e-mail):

Payment arrangement procedure:

1st instalment: Upon completion of Partnership Agreement signatures on side of the coordinator and the partner, and **arrival of the Partnership Agreement** to the coordinator’s address, the coordinator will transfer the advance (“payment 1”) to the partner within 15 days:

PAYMENT 1: 14.290,85 EUR

2nd instalment: Upon submission of **Internal Interim Report #1** (as indicated in Article 6 of this Agreement), provided no irregularities are identified, and **attending event E4.1 in accordance with the Grant Agreement and approved application**, within 15 (fifteen) days after event E4.1 ends, the coordinator will transfer to the partner’s bank account a portion of the lump sum contribution (“payment 2”):

- a) The partner has received an excess payment, that is, the coordinator has transferred as advance payments a higher amount than is due to that partner that failed to carry out the activities that originate the penalisation. In this case the corresponding excess payment must be transferred by the partner to the Coordinator within 30 (thirty) days from the reception of the communication;
- b) The amount due in the final payment is lower than the lump sum claimed by the partner that failed to carry out the activities that originate the reduction in the final payment by the EU executive agency, and in this case, the final payment transferred by the coordinator will be adjusted to the lump sum actually accepted by the EU executive agency.

5.5 The costs of financial transfers shall be borne as following:

- Costs of transfers charged by the bank of the coordinator shall be borne by the coordinator;
- Costs of transfer charged by the bank of a partner shall be borne by the partner;
