

MENTIMETER FOR EDUCATORS

TURN PRESENTATIONS INTO CONVERSATIONS

Improve learning outcomes and increase student satisfaction

- Easily facilitate active learning and give every student the power to participate.
- Run real-time formative assessments that check knowledge and understanding.
- Collect ideas, opinions, and instant feedback to foster student-centered learning.
- Modernize teaching with the same experience for in-person and online students.

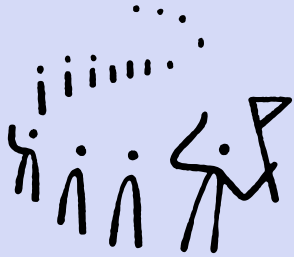

"When students talk about their classes, they highlight how interactive and enjoyable they are. And for the staff, **Mentimeter is a game changer** — it is easy to set up, so it's not just for early adopters or tech enthusiasts anymore; **everyone is using it.**"
