REMARKS

- Our quotation is exclusive of tax / VAT, if applicable.
- All samples are available immediately.
- Disease State Products
 - Pricing includes full datasets.
 - Total volume ordered per donor to be delivered in increments of 1mL in vial sizes of 1mL or greater or as full yield (for example: Feces, Bronchial Lavage, Sputum).
 - Any specimen sold as full yield is not available for aliquoting.
 - Tissues are sold as a single tissue block.
- Inventoried Normal Human and Animal Products
 - Samples cannot be further aliquoted, filtered or processed. If special processing required, use custom configuration.
 - Aliquots are lot independent, no assumption of same lot. If lot requirements needed, use custom configuration.
 - Inventoried products ship next day, depending on delivery region.

CORPORATE DISCLAIMERS

The [Terms & Conditions](#) as may be amended from time to time (the "Terms"), govern the transaction that is the subject of this quote and supersede and merge all prior discussions or proposals between the parties, unless a master agreement is in effect between the parties, in which case the terms of such master agreement apply. Subject to the foregoing, these Terms take precedence over any conflicting terms presented by the Client, including without limitation, terms included on a purchase order.

For information on our privacy practices and commitment to protecting your privacy, view our [Privacy Policy](#).

The estimated total includes discounts and taxes. Shipping and handling may be re-calculated during quote review/finalization. Additional charges may apply for multiple shipments.
