Tax free export in third party country according to § 4 no. 1.a in conjunction with § 6 UStG.

- We sell according to our General Terms and Conditions, which can be downloaded from our website www.ingeneric.com.

In this respect, please take special notice to section VI(2) concerning R&D performances and NRE (non-recurring engineering). This paragraph states that all industrial and intellectual property rights (including tooling) and know-how developed will remain with INGENERIC, unless agreed otherwise.

INGENERIC GmbH is authorized economic partner according to AEO certificate DE AEOC 115705.

Power of disposition about the tools for manufacturing of the ordered optical components remains with INGENERIC GmbH, exclusively for manufacturing of these optical components for HiLASE Centre.

If there are questions left, please feel free to contact us at any time.

We look forward to receiving your order at sales@ingeneric.com.

Best regards,

Prior to placing an order, the item description must be checked by the customer. Adaptations may only be carried out by INGENERIC GmbH. The INGENERIC article number must be indicated on all documents.

- Standard information on RoHS, REACH, and Conflict Minerals is included in the product prices. Further requirements and certificates will be charged depending on the effort and according to prior agreement.

Indication on violation of compliance rules?

Confidential information can be sent by E-Mail (compliance@ingeneric.com).

3. The Buyer shall undertake its best efforts to ensure that the purpose of paragraphs (1) and (2) is not frustrated by any third parties further down the commercial chain, including by possible resellers.
4. The Buyer shall set up and maintain an adequate monitoring mechanism to detect conduct by any third parties further down the commercial chain, including by possible resellers, that would frustrate the purpose of paragraphs (1) and (2).
5. Any violation of paragraphs (1), (2), (3) or (4) shall constitute a material breach of an essential element of this Agreement, and the Supplier shall be entitled to seek appropriate remedies, including, but not limited to termination of this Agreement.
6. The Buyer shall immediately inform the Supplier about any problems in applying paragraphs (1), (2), (3), or (4) including any relevant activities by third parties that could frustrate the purpose of paragraphs (1) or (2). The Buyer shall make available to the Supplier information concerning compliance with the obligations under paragraph (1), (2), (3) and (4) within two weeks of the simple request of such information.
