6. Payment of the contractual penalty does not release the Seller from its duty to perform the obligations imposed on the basis of this Framework Agreement and the respective partial contract.

7. Stipulating the contractual penalty is without prejudice of the right to compensation of any incurred harm to full extent.
8. The contractual penalty is due within 30 calendar days after the delivery of the bill for the contractual penalty to the Seller.

XI. LIBERATION REASONS

1. The Contracting Party (hereinafter also referred to as "Tortfeasor") is released from the duty to provide compensation of any incurred harm, damages or losses only from the liberation reasons in the sense of § 2913 point 2 of the Civil Code.
2. For the purposes of this Framework Agreement, "liberation reasons" means an extraordinary, unforeseeable and insurmountable obstacle created independently of Tortfeasor's will, which temporarily or permanently prevented from fulfilling Tortfeasor's contractual duty. An obstacle arising from the Tortfeasor's personal circumstances or arising when the Tortfeasor was in default of performing his contractual duty, or an obstacle which the Tortfeasor was contractually required to overcome shall not release him from the duty to provide compensation.
3. If it is clear that as a result of the events referred to in paragraphs 2, the Tortfeasor will not be able to fulfil its obligations within the agreed period, then it shall without undue delay notify to the Other Contracting Party. The Contracting Parties shall, without undue delay, agree to resolve this situation and agree on the further procedure for the performance of this Framework Agreement.
4. If either party is unable to perform its contractual obligations by liberation reasons, the Contracting Parties shall discuss the case among themselves and decide on possible procedures. In the absence of such an agreement, either party has the right to withdraw from the Framework Agreement if more than three months have elapsed since the occurrence of liberation reasons preventing performance and the defective condition persists.
5. If a case of liberation reasons arises, the party claiming liberation reasons shall provide the other party with documents relating to that case.
6. The Contracting Parties take into consideration that, for the existence of the liberation reasons, does not affect the arrangements for contractual penalties, i.e. the contractual obligation to pay the contractual penalty is not affected by liberation reasons.
