V. Project details

1. Information and advice services on EUTM/RCD - 1. Provision of information: help desk and call centre

Project Information
Project: ECP 5 Sub-project name: Information and advice services on EUTM/RCD Type: Promotion activity Category: 1. Provision of information: help desk and call centre Status: Approved

Length: 12 Location: Prague/Czech Republic Target: Entrepreneurial community, IP experts and specialists and general public
Description of actions: Provision of information on EUTM/RCD to entrepreneurial community, IP experts and specialists and general public throughout the year on a daily basis.

Currency: EUR Lump Sum: 44,490.00 Euro

Person responsible for the project

Point of Contact	
XXXXXXXXXX Head of the Finance department	Email: XXXXXXXXXXXX Phone:

Project objectives

#	Objective	Require units	Unit
1	KPI1: Number of consultations	Yes	2000

Long term objectives

Name	Description
------	-------------

Increased understanding and use of IP	Provision of "information and advice services on EUTM/RCD" activity significantly contributes to an increase of understanding of IP protection system and IPO practices and services by SMEs and public which will lead to better use of IP protection services and better management of registered rights by users and owners.
---------------------------------------	---

2 . Participation in fairs - 4. Presential events: From 200 pax

Project Information
Project: ECP 5 Sub-project name: Participation in fairs Type: Promotion activity Category: 4. Presential events: From 200 pax Status: Approved

Length: 0.4 Location: Prague/Czech Republic Target: Entrepreneurial community, IP experts and specialists and general public
Description of actions: The IPO CZ plans to participate in two fairs where it is relevant to promote EUTM and RCD. 1) STECHY, SOLAR, EMESLO fair will take place in Prague, 6 - 8 February 2025. https://www.strechy-praha.cz/en/ 2) FOR INTERIOR fair will take place in Prague in autumn 2025, usually at the turn of September and October. https://forinterior.cz/ Participation in fairs is an activity IPO CZ has long and rich experience with. It is a highly effective way of addressing general public and entrepreneurs with the information about industrial property. Focus is particularly on promoting the systems of EUTM and RCD among the groups of people who might be interested. IPO CZ experts do not give just information but also a practical guidance how to apply for EUTM and/or RCD.

Currency: EUR Lump Sum: 5,530.00 Euro

Project objectives

#	Objective	Require units	Unit
1	KPI4.1 Number of participants	Yes	50
2	KPI4.2 Satisfaction about the activity	Yes	3

Long term objectives

Name	Description
Increased understanding and use of IP	Once the provision of information and advice on EUTM/RCD within the "Participation in fairs" activity is finalized, an increase of understanding of IP protection system and IPO practices and services will be experienced by SMEs and public which will lead to better use of IP protection services and better management of registered rights by users and owners.

3 . Provision of information on EUTM/RCD for enforcing institutions - 1. Provision of information: help desk and call centre

Project Information
Project: ECP 5 Sub-project name: Provision of information on EUTM/RCD for enforcing institutions Type: Promotion activity Category: 1. Provision of information: help desk and call centre Status: Approved

Length: 12 Location: Prague/Czech Republic Target: State enforcing institutions dealing with the enforcement of IPRs (Police, Custom administration, Trade inspection, Financial offices, etc.)
Description of actions: The IPO CZ closely cooperates with state institutions that deal with

enforcement of IPRs (police, custom administration, trade inspection, financial offices, etc.). All requests from enforcing institutions in the Czech Republic are handled in due time. This enables fast, more efficient and effective fight against counterfeiters on the market. This service is provided according to the demand throughout the year on a daily basis.

Currency: EUR

Your proposal will be processed by computer. All personal data (such as names, addresses, CVs, etc.) will be processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. Your replies to the questions in this form are necessary in order to assess your cooperation agreement application and they will be processed solely for that purpose by the department responsible for the programme concerned. On request, you may be sent personal data and correct or complete them. For any question relating to these data, please contact the Office department to which the form must be returned. Central industrial property offices may lodge a complaint against the processing of their personal data with the European Data Protection Supervisor at any time. [If, at any stage of the administrative treatment of applications, the persons or entities concerned consider that they have been affected by an instance of maladministration, they may, irrespective of any other means of redress, make a complaint to the European Ombudsman in accordance with Article 195(1) of the EC Treaty and as provided by the Parliament Decision of 9 March 1994 on the regulations and general conditions governing the performance of the Ombudsman's duties published in Official Journal of the European Communities L 113 of 4 May 1994.]
