Grant 2025-SNHB-02 "Metalloproteomics"

Dear [REDACTED] and [REDACTED]

With this letter, the board of the endowment fund "Plant Biophysics and Biochemistry" (Nadační fond Biofyzika a biochemie rostlin) grants the requested sum of

300,000 CZK (three hundred thousand CZK)

to the aforementioned project, to be carried out in the Department of Plant Biophysics and Biochemistry, Institute of Plant Molecular Biology, Biology Centre, Czech Academy of Sciences.

This non-repayable grant will be provided for the purpose of this research project, which is in the public interest and the scope of the fund as defined in its statutes. The money may be used for the purpose of the project in terms of chemicals, other consumables, as well as services e.g. for the repair of instruments or the analysis of samples as a service. The fund does not demand to receive any consideration in return for the provided funds, except for the mentioning in the funding section of resulting publications like it is done for all other grants. The PI of the grant as well as the head and deputy head of the receiving department will have signing rights for the use of the grant.

The fund is a registered tax-exempt non-profit organisation in Czech Republic, registration number (ICO) 21987921.

With best regards, yours sincerely,

Prof. Hendrik Küpper
President of the Board
