on the day, month and year stated below the Parties entered into this Memorandum on Cooperation (hereinafter the "Memorandum"):

Article I

Introductory Provisions

The Parties declare, without any reservations or conditions, that they are interested in the execution of the Memorandum of Cooperation, which will be equity-based and mutually beneficial.

Article II

Subject-matter

1. Under the Memorandum, the Parties agree to engage in cooperation within the project entitled "MBA Programme by the University of Nebraska at Kearney at Palacký University

Olomouc" (hereinafter the "Project"), which Palacký University Olomouc intends to implement.

2. The cooperation between the University and the Partner will include, without limitation:
 - a. educational activities and teaching of students, including course development and delivery related to the Project;
 - b. sharing best practices in organizational management, focusing on governance, efficiency, and leadership;
 - c. collaboration on research and development of business models, with a focus on innovative practices and methodologies within the field of business administration.

Article III

Other Rights and Obligations of the Parties

1. The Parties shall engage in activities to achieve the purpose of this Memorandum and are fully responsible for implementing the activities and performing the obligations under Article II hereof.
2. The Parties shall refrain from any activities that may prevent or hinder the achievement of the purpose of the Memorandum. The Parties shall also refrain from any activities that may jeopardize the interests of the other Party in terms of achieving the purpose of the Memorandum.
3. The Parties grant their consent to the disclosure of their identification details and their activities within the Project.
4. For the avoidance of doubt, the Parties expressly agree that no financial obligations arise between the Parties or no licenses to the Parties' intellectual property are granted under or in relation to this Memorandum.
5. The implementation of the Project by the Parties must be ethical, transparent and must comply with good morals.
6. If any specific activities require, due to their extent, organisational requirements, risks or funding, a more detailed regulation of the rights and obligations or if required by the Project, the Parties may execute a separate contract for such an activity that will specify the terms of cooperation in detail.

Article IV

Duration

1. This Memorandum is entered into for an indefinite term.
2. This Memorandum may be terminated:
 - a. by written agreement of the Parties;
 - b. by notice of termination given by either of the Parties without cause with a two-month notice period which starts running from the first day of the month following the demonstrable receipt of the notice.

Article V

Final Provisions

1. The Memorandum is an expression of the free will of the Parties.

2. This Memorandum may only be amended by written amendments assigned consecutive numbers agreed and signed by the authorized representatives of both Parties.
3. This Memorandum has been drawn up in two copies, whereby each Party will obtain one copy.
4. This Memorandum comes into force on the date it is signed by both Parties and comes into effect on the date of its disclosure in the Register of Contracts under Act No. 340/2015 Sb., the Contract Disclosure Act.
