Important information

Availability and sharing of your article

Your article will be made immediately available for everyone to read, share and reuse in the ways defined by the [Creative Commons end user license](#) you have selected. Author rights are separate and are described on [Elsevier's copyright page](#).

Institutional and funder agreements

Any fees covered under agreements are subject to institution or funder approval.

Payment of open access fees

Payment is your responsibility. If we invoice your institution and don't receive payment, or if fees covered under agreements are not approved, we will reissue the invoice to you.

You have agreed to the above and to the full [Elsevier terms and conditions of purchase for open access services](#).
